Lowell Briggs, Marketing Director, 781-343-1901, lbriggs@paragonexpo.com

EXHIBITORS, SPEAKERS & ATTENDEES WILL BE REQUIRED TO WEAR MASKS & SHOW PROOF OF FULL COVID VACCINATION

The City of Boston has implemented a new mandatory initiative to address rising COVID-19 cases. All people over the age of 5 will be required to present an image of an official immunization card, or official immunization record showing full vaccination status to enter the Hynes Convention Center. Please be sure to have this important document or an image of the document on your phone out and ready to present to speed your entrance to the Hynes. If this policy changes before the event (March 18-20, 2022) all participants will be notified. Learn more about the City of Boston's official protocols here: <http://bit.ly/Bostonrequirements>

MOVE IN

All exhibitors will be emailed a **Vehicle Entry Permit** which you will use to gain entry to the loading dock. If you don't have an entry permit, you must check in at the Exhibitor Registration Counter on the second floor of the Hynes Convention Center outside of Hall A prior to set up.

- Unloading and loading vehicles will be limited to the Cambria Street Loading Dock. Exhibitors are not permitted to unload at the entrance to the Hynes Convention Center on Boylston Street.
- The Hynes Convention Center maintains a hand-carry policy that prohibits rolling two or four-wheeled carts, hotel-type carts and dollies from the Boylston Street or Prudential Center entrances into the show. Smaller folding luggage carts are acceptable.
- Note that only bona fide employees of an exhibiting company can perform work/unloading.

THURSDAY, MARCH 17 - 8:00 AM - 5:00 PM

Locate your booth on the floor plan on the next page to determine your zone.

ZONE ONE	8:00 AM - 11:00 AM
ZONE TWO	11:00 AM - 2:00 PM
ZONE THREE	2:00 PM - 5:00 PM

FRI, MARCH 18 – LATE MOVE IN

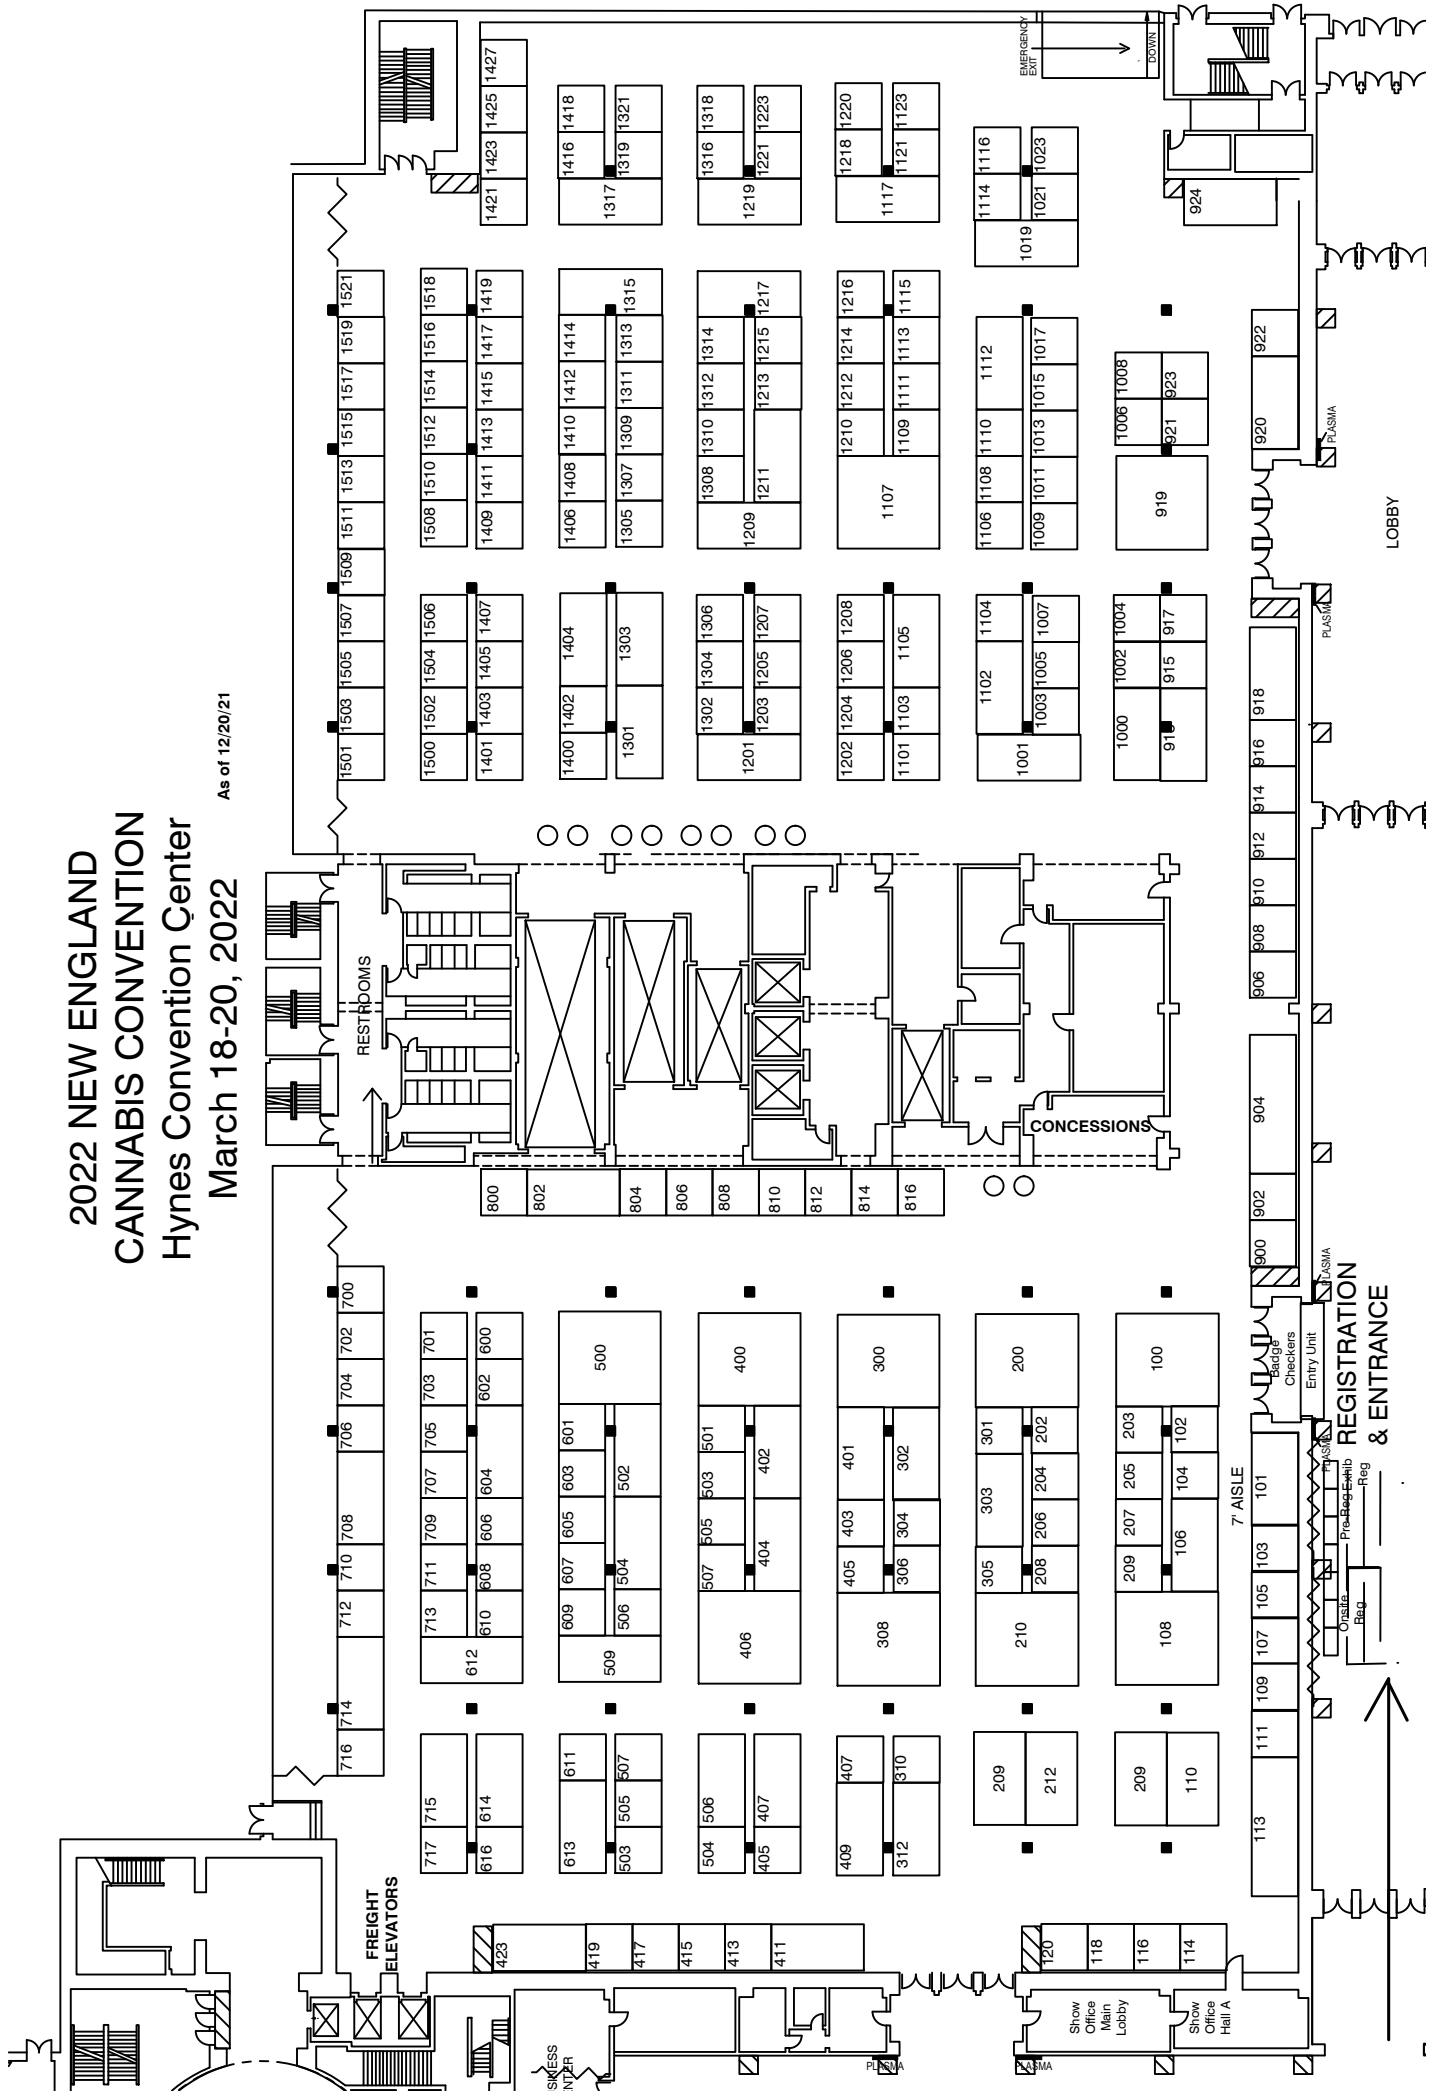

ALL ZONES 8:00 AM - 9:00 AM
(SHOW OPENS AT 10:00 AM)

SHOW DATES & HOURS

Friday, March 18	10:00 AM - 5:00 PM	(Exhibitor Access 8:00 AM-6:30 PM)
Saturday, March 19	10:00 AM - 5:00 PM	(Exhibitor Access 9:00 AM-6:30 PM)
Sunday, March 20	10:00 AM - 4:00 PM	(Exhibitor Access 9:00 AM-10:00 PM)

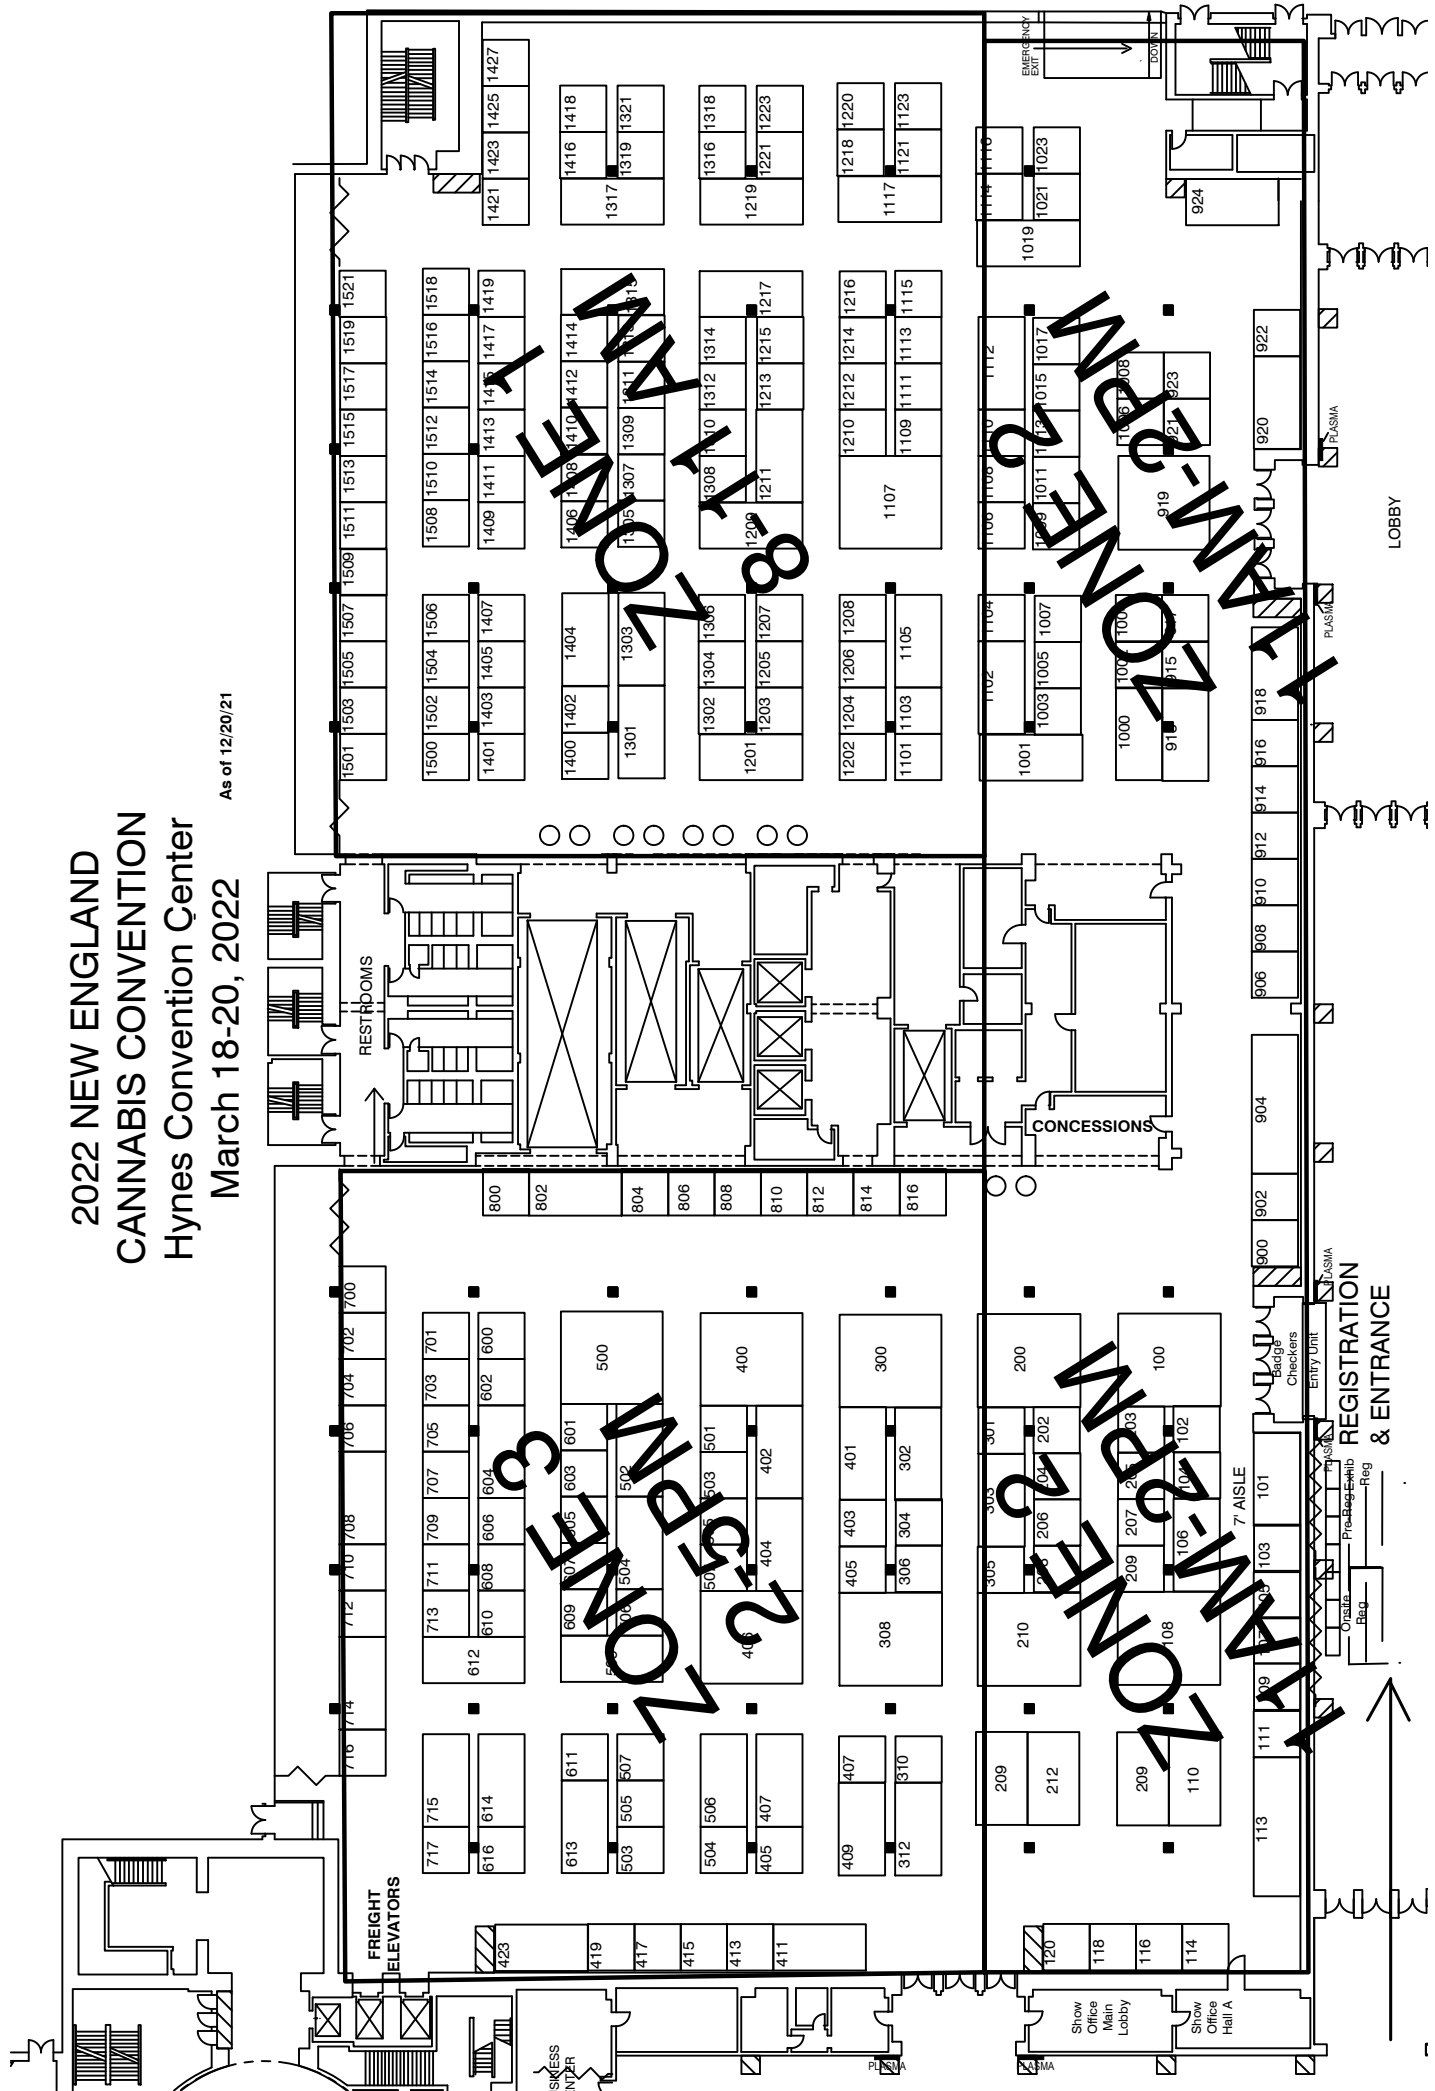

2022 NEW ENGLAND
CANNABIS CONVENTION
Hynes Convention Center
March 18-20, 2022

As of 12/20/21

Hynes Convention Center

As of 12/20/21

MOVE OUT

Sunday, March 20 4:00 PM – 9:00 PM

NOTE: Booth breakdown and show move out may not begin until the show is officially closed on Sunday, March 20 at 4:00 PM. You will not be permitted to drive your vehicle into the loading area until your booth has been completely packed up and is ready to load onto your vehicle. Boston police officers will be working to make sure there is no parking in front of the building and anyone leaving a vehicle unattended runs the risk of being ticketed.

MARIJUANA RESTRICTIONS – IMPORTANT INFORMATION!

Any form of Marijuana consumption (i.e., smoking, vaping, edibles) is strictly prohibited at the Hynes Convention Center including outdoor areas approved for tobacco smoking.

Marijuana plants will not be permitted at the Hynes Convention Center.

The sale of Marijuana related products (i.e., bongs, vaporizers) must be those that are legalized by the Commonwealth of Massachusetts.

EXHIBITOR BADGES

Instructions for registering booth staff will be sent to exhibitor admins. All booth personnel will be required to be pre-registered and wear badges for access to the hall during set up, show and break down hours. Badges must be picked up individually at the Exhibitor Registration Desk in the show lobby. Badged exhibitors are welcome to attend all programming.

SHOW OFFICE / EXHIBITOR REGISTRATION

Open Thursday, March 17 - Sunday, March 20

The Show Office will be located off the Show Floor in Hall A, at the end of the far left-hand wall as you enter Hall A. Exhibitor Registration will be located in the lobby. Show Management personnel will be available to help you in any way.

BOOTH PACKAGE

Each 10' x 10' Booth Includes:

8' tall dark green and white back drape and 3' tall side drape

6' draped table and 2 chairs

Booth ID sign

Does not include electricity – See order form attached.

ADMISSION TO EDUCATIONAL PROGRAMMING

Badged exhibitors are welcome to attend all educational programming. A schedule of the programming can be found at www.necann.com

LEAD RETRIEVAL - FREE From through BOOMSET

Cellphone lead retrieval system is available through Boomset, the show's registration vendor. Further information will be sent to you prior to the show. Here is a brief overview:

1. Download App: Boomset Lead Retrieval Green
2. Company Admin will be sent a single QR Code for everyone in the company
3. First person to scan QR code will create a pin
4. Everyone at your company will use SAME QR Code and same pin
5. Scan
6. Access Lead
7. Sync Leads

SERVICE CONTRACTORS – ORDER BY FRIDAY, FEBRUARY 18 FOR DISCOUNT PRICING!

Plan ahead. It is always best to order services and/or furnishings in advance of the Show. Orders placed on-site are generally 30% higher in costs and processed after the advance orders. Therefore, to save time and money, order early. The exhibitor manual and order forms will be available on-line at www.freemanco.com and at www.necann.com.

Electrical, Telephone, Audio Visual, Plumbing, Cleaning, Internet:

Hynes Convention Center, 900 Boylston Street, Boston, MA 02115, Phone: 617-954-2000
<https://mcca.ungerboeck.com/prod/app85.cshtml?aat=SvXOehPiUFSf5E8J3WClel6flV1jfP0fZfevRw1DNcU%3d>

Booth Cleaning:

ABM Janitorial Services, Somerville, MA
Phone: 875-268-0177 Order Form included.

SPECIAL MATERIAL HANDLING RATES FOR MACHINERY

Please Note: A special machinery rate is available for heavy equipment being displayed at the show. See the Freeman form titled Machinery Rates to learn more about this discounted fee.

NEW WAREHOUSE ADDRESS FOR ADVANCE SHIPMENTS

Please Note: If you have shipped materials to Freeman's warehouse in the past, please note that their Avon, MA warehouse is no longer in service and all materials sent in advance MUST be sent to the address below. See Freeman manual or the Quick Facts sheet below for more info on deadlines.

Exhibiting Company Name/Booth #
NEW ENGLAND CANNABIS CONVENTION
C/O Freeman, TForce Freight
80 Concord Street, North Reading, MA 01864

DRIVING DIRECTIONS TO THE HYNES CONVENTION CENTER

(NOTE: PARKING IS NOT ALLOWED IN THE FRONT DRIVEWAY AT THE HYNES CONVENTION CENTER FOR LOADING OR UNLOADING. SEE DIRECTIONS BELOW TO THE CAMBRIA STREET LOADING DOCK.)

FROM I-90 Eastbound:

- Take Exit 22 (Prudential/Copley Place)
- Stay left and take ramp toward Prudential Center, as you exit onto Huntington Avenue, staying right while on Huntington Avenue
- At the next set of lights turn right onto Belvidere Street then take right onto Dalton St. Sheraton Boston will be on your right.
- At the first set of lights on Dalton Street take a right onto Boylston St
- The Hynes Convention Center's main entrance and driveway will be immediately on the right. See directions below for Loading Dock Access.

FROM Logan International Airport and Ted Williams Tunnel/I-90 Westbound:

- Merge onto I-90 West/Mass Pike/ Ted Williams Tunnel and take Exit 24 toward I-93
- Merge onto I-93 South via exit on the left
- Take Mass Ave exit, Exit 18
- Take a slight right onto Mass Ave Connector and take your next right onto Massachusetts Ave
- Follow Massachusetts Ave 1.4 miles and take a right onto Boylston St
- The Hynes Convention Center's main entrance and driveway will be immediately on the right. See directions below for Loading Dock Access.

FROM I-93 Southbound:

- Follow Rte. 93 South staying to the far right as you get closer to Boston
- Take Exit 26, Storrow Drive
- Follow Storrow Drive approximately 2 miles to the Fenway/Kenmore Exit (1st exit after Massachusetts Ave., on left)
- Stay left as you exit Storrow Drive going toward the Fenway
- Continue to 1st set of lights, staying left, going onto Boylston St
- Go through 4 sets of lights on Boylston St
- The Hynes Convention Center's main entrance and driveway will be immediately on the right. See directions below for Loading Dock Access.

FROM I-93 Northbound:

- Take Exit 18, Mass Ave/Roxbury
- At the third set of lights turn left onto Mass Ave Connector then turn right onto Massachusetts Ave
- Follow Massachusetts Ave 1.4 miles and take a right onto Boylston St
- The Hynes Convention Center's main entrance and driveway will be on the right. See directions below for Loading Dock Access.

CAMBRIA STREET LOADING DOCK INSTRUCTIONS:

Access for unloading exhibits is the Cambria Street Service Entrance located off Massachusetts Avenue. If you plan to transport materials to your booth yourself, please use this entrance. Upon arrival, you will receive unloading instructions. There is a minimum of two people per car upon entering the loading area. **You must bring your own handcart if you will require one. You may use only hand-operated equipment; two-wheeled hand trucks and four-wheeled hand trucks are permitted.** Equipment must be unloaded and moved into the exhibit hall while the vehicle is being parked. **THERE IS A 20-MINUTE TIME LIMIT FOR UNLOADING VEHICLES IN THE LOADING DOCK AREA. Exhibitors are not permitted to live park.**

If you require a loading dock, Freeman Decorating Company will need to unload your materials. There is a fee for this service. If you are transporting large items for your exhibit and need assistance of the use of a four-wheel dolly or pallet lift, arrangements must be made with Freeman Decorating Company in advance. There is a fee for this service as well. Freeman can also handle any shipping needs at an additional cost. For all processes and necessary forms, please refer to the Freeman Services Kit attached to this manual or visit www.myfreemanonline.com.

DIRECTIONS TO CAMBRIA STREET LOADING DOCK:

Driving from Mass Pike:

- Take Exit 22 (Prudential/Copley Place)
- Stay left and take ramp toward Prudential Center, as you exit onto Huntington Avenue, staying right while on Huntington Avenue
- At the next set of lights turn right onto Belvidere Street then take right onto Dalton St. Sheraton Boston will be on your right.
- When you come to the end of Dalton Street at Boylston Street (Fire Dept. straight ahead), you will take a left at the lights and then another left when you see the Cambria Street ramp.

Driving from Massachusetts Avenue:

- When you turn onto Boylston Street, Cambria Street will be your first immediate right. Cambria Street goes down the ramp to the Loading Dock.

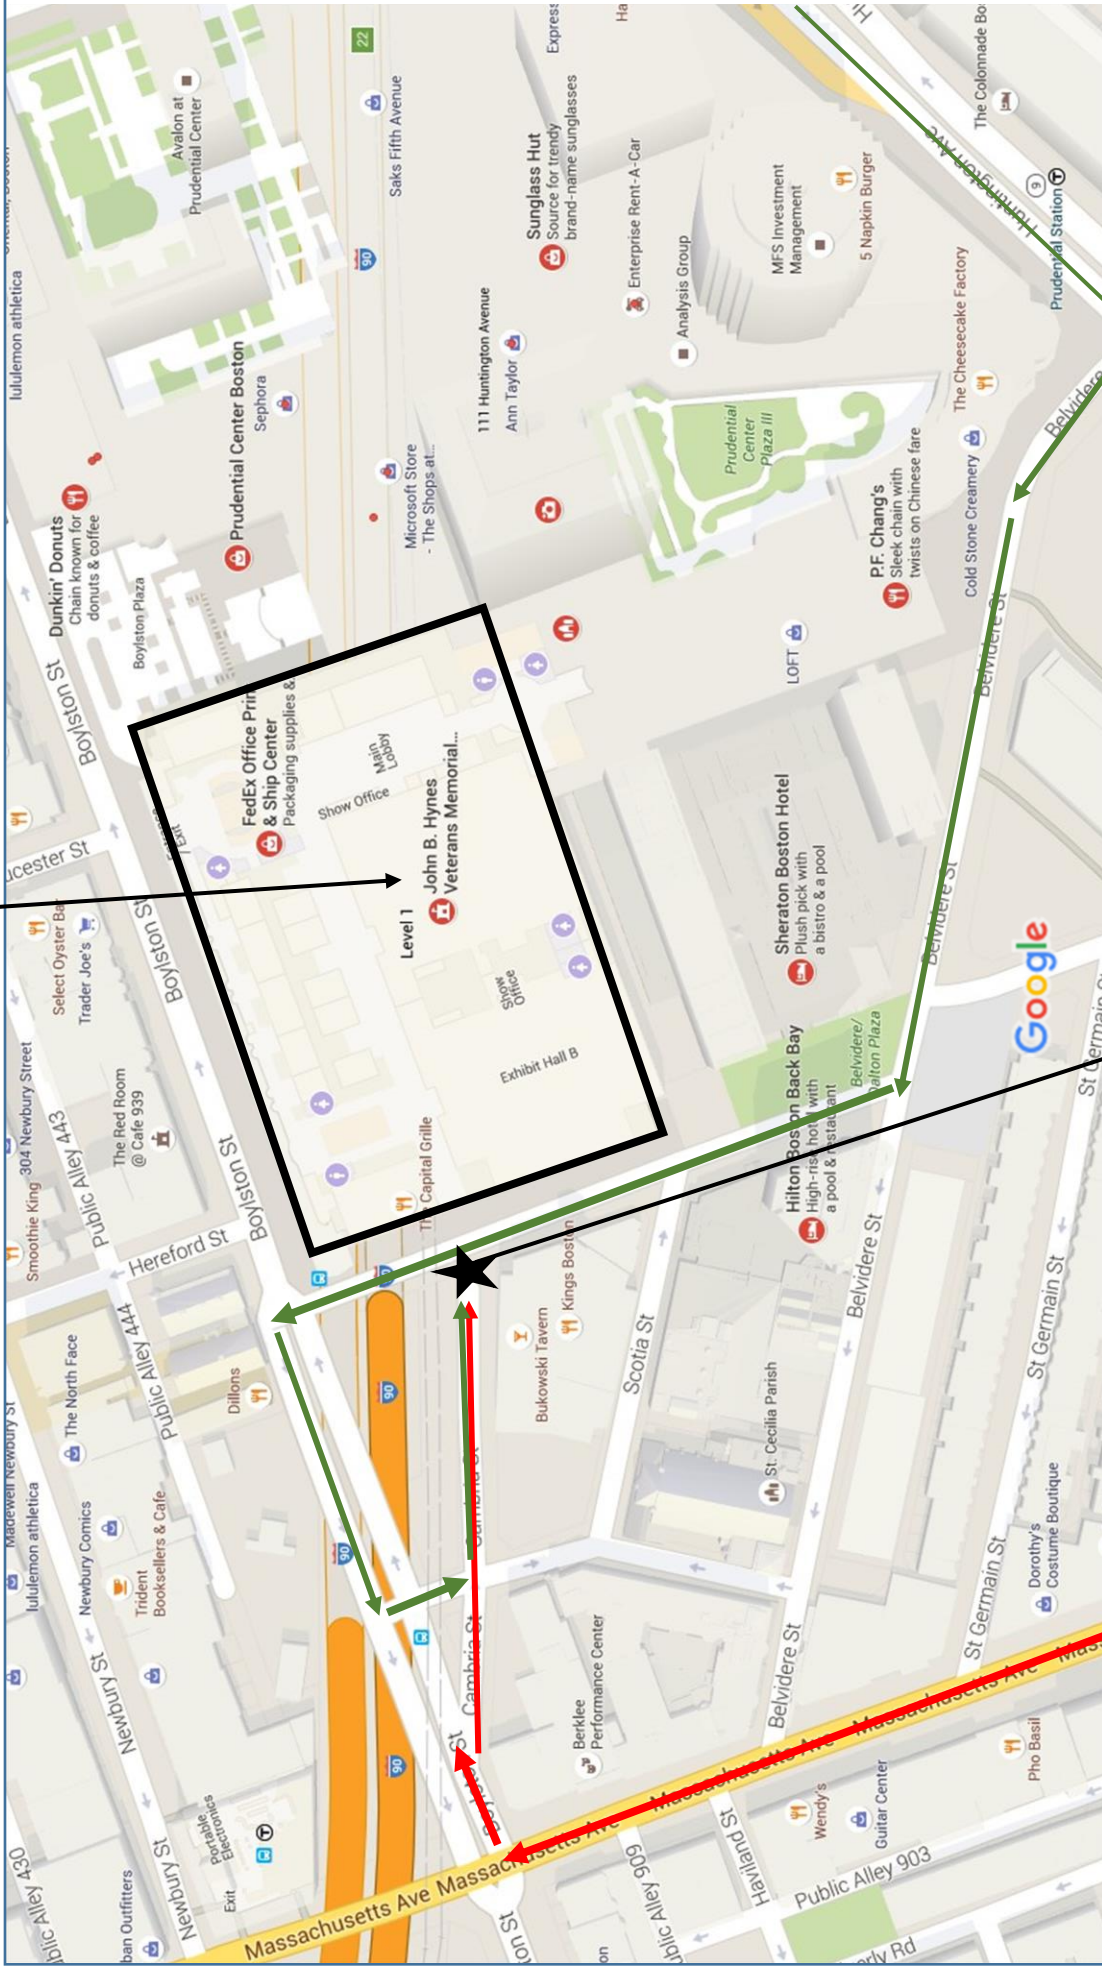

Walking from 900 Boylston Street (Hynes Front Entrance):

Walk down about 2 blocks back towards Massachusetts Avenue and go down the ramp on Cambria Street.

Walking from the Sheraton Entrance (Dalton Street):

- Walk up Dalton Street and take a left onto Boylston Street. Walk down 1 block and down the Cambria Street ramp.

HYNES CONVENTION CENTER

FROM MASS. AVENUE

**UNDERGROUND ENTRANCE
TO CAMBRIA ST LOADING DOCKS**

FROM MASS PIKE COPLEY/PRU EXIT

**PLEASE NOTE: CONSTRUCTION MAY HAVE BEGUN ON A
PROJECT ABOVE THE MASS AVE BRIDGE BY THE DATES OF
THE SHOW. IF SO, WE WILL SEND RELEVANT UPDATES.**

PARKING

Within a three-block walk of the Hynes Convention Center are numerous parking garages totaling over 4,400 spaces. There is limited meter parking available around the Hynes and adjacent streets.

Hynes Auditorium Parking Garage
50 Dalton Street, 617-247-8006

Back Bay Hilton Hotel Parking Garage
40 Dalton Street, 617-236-1100

Belvidere Street Lot
53 Belvidere Street, 617-536-0910

Boston Marriott Hotel Copley Place
100 Huntington Avenue - Valet Parking
617-236-5800

Colonnade Hotel Parking Garage
120 Huntington Avenue, 617-424-7000

Copley Place Parking Garage
100 Huntington Avenue, 617-369-5025
(corner of Huntington Ave & Dartmouth St)

Prudential Center Parking Garage
800 Boylston Street, 617-236-3060

Sheraton Boston Hotel Parking Garage
39 Dalton Street, 617-236-6172

PUBLIC TRANSPORTATION

Via Logan Airport:

Round-trip shuttle from Back Bay to Logan Airport - The Back Bay Logan Express shuttle runs every 20 minutes and picks up passengers from Logan Airport and Hynes Convention Center. The cost is \$5.00 one way fare. Credit or Debit Card only (or Free with Valid with [MBTA Pass](#)).

Subway- Take the subway bus from any terminal to the airport subway station, transfer to the Blue Line and board the westbound train (marked Bowdoin Station) to Government Center. Get off the train and follow signs to the Green Line and board Green Line Train D (Riverside) to the Hynes Convention Ctr/ICA Stop. Once you get off the subway, choose any exit and follow the signs to the Hynes. For more information visit: [massport.com](#)

Via Amtrak and Commuter Rail:

If traveling by Commuter rail or Amtrak from points west or south of Boston, get off at the Back Bay Station and walk through the

Copley Place Mall to the Prudential Center and follow the signs to the Hynes Convention Center. For more information please visit: [www.amtrak.com](#).

Via Subway

The Hynes is just steps away from four stations: Hynes Convention Center, Copley Square and Prudential on the the Green Line, and Back Bay on the Orange Line.

Via Bus (MBTA Silver Line to South Station):

Take the Silver Line Bus to South Station. As you depart the terminal, walk to the right and the Silver Line pick-up is at the head of the line at Terminal D. The Silver Line stop is along the roadway between Terminal C and D. Take Silver Line to South Station, transfer to Commuter Rail to Back Bay Station and walk through the Copley Place Mall to the Prudential Center and follow the signs to the Hynes.

For more information please visit: [mbta.com](#).

HOTELS

There are many hotel options in Boston's Back Bay. The three closest hotels are the Sheraton Marriott, the Westin Copley Place and the Hilton Boston Back Bay. For easy booking, we suggest using this link: <https://compass.onpeak.com/e/012606575/0#hotels>

INSURANCE

You are responsible for the space contracted to you. Consequently, be sure to have all insurance certificates in force and updated during the Show. It is very easy for most insurance companies to add a binder to your policy for the run of the Show. If there are damages to the building or its property attributable to you, it is your responsibility to reimburse the Hynes Convention Center. Paragon Group and NECC require no special insurance if the agreement for space rental is completed, signed and received by Paragon Group 10 days prior to show opening.

SALES TAX IDENTIFICATION NUMBER REQUIRED

All exhibitors selling merchandise on the Show floor are required to provide a Federal Identification Number or MA Tax Identification Number (TIN) if a business, or a Social Security number, if an individual, to Show Management prior to setting up at the show. The Massachusetts Department of Revenue (DOR) **requires** Show Producers to provide them with a complete file of this information. The number required is simply the number you or your company uses to file Massachusetts or Federal Income tax. A representative of Mass State Department of Revenue will be on site sometime during the Show.

Thank you if you have already provided this information on your application for booth space.

If you have not already provided this information, please call Dave Gerth at 781-343-1562 or email it to him at dgerth@paragonexpo.com by March 4.

Exhibitors can apply for a Massachusetts State Tax Identification Number on line. The following link will provide information regarding registration.

How to apply:

- Go to www.mass.gov/dor
- Go to "Business"
- Go to "Filing & Reporting"

Proceed with instructions provided. **The responsibility is yours to comply with state codes.**

FOOD SAMPLING REQUIREMENTS - MANDATORY

NOTE: No food item containing any amount of cannabis may be sold or sampled at the New England Cannabis Convention.

PAPERWORK: The application process for sampling and selling food items will be coordinated by Levy, the food service division at the BCEC. Exhibitors who intend to do food sampling and sell packaged food items must provide the following items:

- Apply and pay \$100 for a **City of Boston Temporary Food Service Permit (form included)**
- Fill out and return the **Levy's Sampling Form (form included)**
- Provide a copy of the company's **Certificate of Liability Insurance** and its **License to Operate** in the company's city/town if you are the manufacturer of the product you are going to sample in the show floor.

All materials must be submitted by **Friday, March 4** to Lauren Gavrin, Catering Sales Manager
Levy Convention Centers, John B. Hynes Veterans Memorial Convention Center, 900 Boylston Street,
Boston, MA 02115, 617-954-1187, lgavrin@levyrestaurants.com.

PORTION SIZES: All product samples must be kept to a 4 oz. size for beverages and a 2 oz. size for solid foods. The sampling of food and beverage is subject to show management and building approval. Food may not be sold for consumption onsite.

PREPARATION: Food preparation for sampling in your booth is permitted. You may use microwave ovens, small convection ovens, hotplates or electric skillets. Compressed gasses, liquid fuel and open flames are prohibited. All exhibitors cooking food must have a **WORKING FIRE EXTINGUISHER** in their booth.

DISPLAY GUIDELINES

Paragon Group enforces display regulations that we believe provide each exhibitor an equal opportunity to make the most effective use of their space without infringing on the rights of your neighbors. The foundation upon which all show management display rules are based is the following:

“All exhibitors, regardless of size or location, will be given an equal opportunity, within the bounds of common sense and professional courtesy, to exhibit their product(s) or service(s) in the most effective manner to the attendees”

Please review the rules and regulations outlined in the following pages. Each section begins with the actual rule and guideline and is followed by the intent that is of major importance.

BOOTH STANDARDS

- Handwritten signage is not permitted
- All product(s) should be professionally displayed, (i.e., no corrugated boxes or displaying of product(s) in the aisles outside the exhibit
- No helium balloons are allowed in building.

DEMONSTRATIONS

Do not place your demonstration areas on the aisle line of your exhibit if you expect many people to congregate at one time. Leave space within your own exhibit area to absorb the majority of the crowd. **Should spectators interfere with the normal flow in the aisle, show management will insist that you limit or eliminate the presentation.**

Police your own booth to be sure the noise level from any demonstrations or sound systems is kept to a minimum and does not interfere with others. The use of microphones or public address systems is prohibited in exhibitor booths. Show management reserves the right to determine at what point sound constitutes interference with others and must be discontinued.

The aisles are the property of all the exhibitors and therefore, each exhibitor has the responsibility to assure proper flow of traffic through the entire show. When large crowds gather to watch a demonstration or entertainment and interfere with the flow of traffic down aisles or create excessive crowds in neighboring booths, this is an infringement on other exhibitor's rights. Aisles must not be obstructed at any time.

BOOTH GUIDELINES

One or more 10'x10' booth with aisle on one side:

1. Booth construction – Back wall is 8' high. Sides may be 8' for the first 5' from the back wall of booth. The front 5' (to aisle) may be no higher than 4'. This results in clear linear visibility for all exhibits.
2. Nothing may be erected or hung across or over any aisles, even if that aisle is flanked on both sides by booths assigned to the same exhibitor, unless approved by Show Management.
3. All exposed areas of the exhibit must have finished surfaces including the back and sides. Graphics, logos or print facing into another booth will not be allowed. All such material must face into the aisle or into the exhibitor's own booth. Any part of any booth needing a finished surface at 6:00 PM, the day prior to the Show opening, will be draped at the cash expense of the exhibitor. Show Management will decide whether such drape is needed.
4. Product storage is not permitted behind or around exhibits. Minimal storage of literature or items for daily use may be stored out of sight.

5. Show Management may require any Exhibitor to make changes in his or her exhibit if, in Show Management's opinion, the exhibit does not conform to prevailing standards of good taste or interferes with the rights of other exhibitors.

NO NAILS OR SCREWS

Nothing may be posted, taped, tacked, nailed or screwed to columns, walls, floor or other parts of the building. No holes may be drilled, cored or punched in the building. Any damage or defacement caused by infractions of this rule will be remedied by Show Management at the expense of the rule-breaking exhibitor.

HANDOUTS

No adhesive-backed (stick-on) decals or similar items may be distributed or used in the building. You cannot distribute literature, samples or other material outside your contracted exhibit space. You cannot work the aisles outside your booth.

EXHIBITORS WITH SPECIAL NEEDS

Exhibitors who have special needs which require variance from these guidelines must get prior written approval from Show Management. Exhibitors should send detailed plans of their proposed display for this approval.

UPS AND FEDEX DELIVERIES

We strongly discourage sending freight via overnight delivery services (FedEx, UPS) due to the logistical challenges inherent within the Hynes Convention Center. Shipping via this method also incurs material handling charges! Once the Show has opened, there will be no one at the loading dock to accept any UPS or FedEx deliveries. If you are expecting a delivery please make arrangements for your shipment to be delivered elsewhere, such as to your hotel.

SECURITY - DURING INSTALLATION

While setting up booths which contain small, easily pilferable articles, use of individual booth safeguards should be made, i.e., chaining of items, show cases, covering with tarps and locking containers. **DO NOT PUT ANY ARTICLES OF VALUE IN A CRATE OR CARTON DESIGNATED FOR "EMPTY STORAGE".**

SECURITY - DURING SHOW HOURS

Booth personnel should be in attendance at least 30 minutes prior to official Show opening and should remain during all Show hours. At the close of the Show each evening, booth personnel should remain until the public has been cleared from the floor and the booth has been secured for the evening. Special safeguards should be exercised with regard to personal items such as handbags, wallets & coats.

SECURITY - DURING DISMANTLING PERIOD

Dismantling and/or merchandise removal cannot begin prior to the official closing of the Show on Sunday at 4:15 PM.

It must be stressed that exhibitor personnel must remain with merchandise until it is removed from the exhibit floor. Each outbound carton or crate must be properly labeled or tagged for shipment. If you are expecting a pick up on Monday by common carrier or express delivery, see the Freeman Service Desk for details.

While adequate guard service will be provided by Show Management around the clock, it is the responsibility of each exhibitor to take whatever precautions he/she deems necessary to prevent loss or damage. Show Management assumes no liability or responsibility for any loss or theft. Therefore, it is incumbent upon exhibitors to provide for their own product security and insurance coverage.

PERFORMANCE OF MUSIC

If any copyrighted music is to be played at your display, you must obtain all necessary licenses from the copyright owner or licensing agency representing the copyright owner as shown below.

The licensing requirements include the playing of live as well as recorded music, whether it is the essence of the presentation or is used only as background, on a videotape or other presentation.

ASCAP
3350 Cumberland Circle
Suite 1890
Atlanta, GA 30339
800/505-4052

BMI
10 Music Square East
Nashville, TN 37203
800/326-4264

Adherence to these federally mandated copyright licensing laws is of critical importance. Failure to do so is both a violation of federal copyright law and a breach of your contract for the New England Cannabis Convention.

Please take a few minutes to ensure a hassle-free event by acquiring proper licenses. If you encounter any difficulty with either ASCAP or BMI in your attempt to acquire a license, please contact Show Management

BUILDING FIRE REGULATIONS

The following safety regulations must be strictly adhered to by all exhibitors and Show Management. Fire Department Inspectors carry out regular inspections and will enforce these regulations.

1. No fire alarm pull stations, fire extinguishers, or fire hose standpipe locations may be blocked by displays, tables, signs, etc. Accesses to these devices must be maintained at all times.
2. No exit door fire access aisle may be blocked; complete access must be maintained without encroachments, at all times.
3. Painting and use of flammable liquids or solvents is prohibited within the building.
4. No smoking is allowed in the Exhibition Hall.
5. No propane-operated devices shall be used, brought into or stored in the hall. No propane or other flammable gas storage will be authorized.
6. All fabric brought in by exhibitors must be approved for use by the Massachusetts State Fire Marshall, Boston Fire Department, or Massport Fire Department. Fabric may be submitted for approval to the State Testing Lab, 1010 Commonwealth Avenue, Boston.
7. No flashing beacons are allowed in the hall.
8. All vehicles on display or in the hall must have minimum fuel supply (1 gallon maximum). In addition, display vehicles must have battery cables disconnected and taped over.

9. All display vehicle fuel tanks must either have a locked filler cap or the cap must be tightly taped over. No draining of fuel tanks is allowed in the building, on the docks or on the street.
10. No open flames are authorized in or around the building.
11. Smoke exhaust system fans in the hall area must be free from all obstructions.
12. No banners are to be hung so as to obstruct exit and fire safety signage.
13. In order to ensure that all fire and safety regulations have been strictly enforced, all exhibits and displays must be set-up and in place at least two (2) hours prior to the show opening.
14. No vehicles shall be started up in the ~~hall once the show is open~~. Exhaust may activate the smoke detection system.
15. No exhibitors shall bring, or authorize others to bring any material, substance, equipment, object and/or devices, which may endanger either the life of or cause bodily injury to any person in the facility or which is likely to constitute a hazard to the building itself.
16. Any solid, roof-enclosed structure shall be equipped with a smoke detector.
17. The Exhibition Hall smoke detectors are never to be bypassed while a show is in progress.
18. The drive-on ramp must have a minimum 15-foot aisle at all times to allow access for fire emergency equipment.
19. Exhibitors are not allowed to store material behind their booths. This area should remain clear as a service aisle.

What is Drayage or Material Handling?

Material Handling, also known as Drayage, is the six-step process that occurs when the General Contractor takes ownership of the freight from your carrier at the advanced warehouse, marshaling yard or show site, delivers it to your booth, stores empties, delivers empties back to your booth for your re-packing and then brings the freight back to the docks for pick up by your specified carrier.

How Is the Cost of Drayage Determined?

To determine the amount charged to exhibitors by General Contractors for handling of your freight, remember that freight is sometimes moved as many as six times during a show.

General Contractors charge by 100 lb. increments, known as a hundredweight (CWT), and with a 200 lb. minimum charge. Your 31 lb. box is charged as a 200 lb. minimum so depending on the show rate could cost you anywhere from \$120 – \$240. Now be prepared to pay 30% more for special handling or for delivery off target, generally a holiday or weekend, which could add another 25%.

What is Special Handling & Why Is There a 30% Upcharge on an Already Costly Bill?

Special Handling applies to anything that is shipped to the advance warehouse or direct to the show that is not palletized or crated, needing personal handling, i.e., restacking, using chains or special equipment to unload, moving other crates to get to your materials, etc.

Be advised everything shipped by air freight via Fed Ex, UPS or any small box carrier is automatically considered Special Handling. If you ship 4 boxes of literature to your booth in different shipments, be prepared to pay the 200 lb. minimum per shipment plus 30% Special Handling fees per shipment. Special handling has a 30% mark up because of the extra time it takes to unload and distribute the truck full of boxes to your booth as it takes more labor than a forklift driver simply lifting a crate and driving to your booth.

30 lb. Rule & 5 lb. Rule

Some General Contractors (including Freeman, Brede and GES) are nice enough to have a 30 lb. rule for “small packages” – meaning if 30 lbs. or less they will charge a substantial amount less as the package can be hand-carried or delivered by cart. If your shipment is sent at the same time and the combined weight is over 30 lbs. then expect a 200 lb. minimum charge.

The 5 lb. rule is that anything less than 5 lbs. is free. Not all Generals are nice when it comes to this rule. Someone still has to walk from the docks, find you and then journey back - but the big Generals know it is outrageous to charge large sums of money for a letter being delivered to the show and your booth.

Simple Tips to Save BIG CASH!!!

When shipping in your products or marketing promotional items, minimize the number of items in your shipment and consolidate your items on a pallet, shrink wrapped and banded appropriately. This way, a forklift can simply drive under and lift the pallet to your booth, avoiding Special Handling charges.

If you have to ship in individual boxes, make sure you ship all the boxes at the same time and keep your tracking receipt. Make sure your individual boxes are marked “1 of 3”, “2 of 3”, etc. and were charged as a combined weight shipment. The General Contractor will note that all the boxes were shipped at the same time and you won’t be charged the 200 lb. minimum per box. If your tracking numbers are too far apart, brace yourself for individual 200 lb. charges per package. Make sure all boxes or packages are gathered and shipped at one time.

Your tracking receipt, or for the tech savvy, a virtual record on your phone, will allow you to confirm all boxes have arrived and will also provide problem-solving ability when you're missing boxes in your booth and the Exhibitor Service representative's first question to you is "Do you have tracking numbers?"

Notify your shipper you will not be paying any booth material Special Handling charges.

Make sure to notify your shipper to ship your booth properties crated and, if need be, palletized, shrink wrapped & banded appropriately. This will not only ensure you aren't hit with a special handling 30% up-charge for your booth properties but also minimizes losing booth properties that were shipped loose from a secured crate or pallet.

Note: During a show, empty crates will not be moved into storage without an Empty sticker applied, nor will equipment or materials be moved out of your exhibit space at the end of a show without filled-in shipping labels and proper paperwork filled out and submitted to start the process. Materials left behind without paperwork will be taken back to the General Contractor's warehouse and "forgotten" until you come looking for them. Don't forget the rented tv monitor!

The Bottom Line is that this is a great deal for a one-time charge for a six-step process.

Please contact your Show Manager if you have further questions.

Thanks to Justin Tursellino, Freeman

HEALTH AND SAFETY

Stay informed on Products, Services and Resources that will help you plan for a safe return to your next event. [Click Here](#) for our Health and Safety Resources.

BOOTH EQUIPMENT

Each 10' x 10' booth will be set up with 8' high black and white back drape, 3' high black side dividers, one 6' x 30" high black draped table and two Limerick® side chairs by Herman Miller. Booth 300 sqft or less will receive a 7" x 44" one-line identification sign. Booths larger than 300 sqft may receive a 7" x 44" one-line identification sign upon request.

EXHIBIT HALL CARPET

The exhibit hall is NOT carpeted, however the aisles will be carpeted in tuxedo.

DISCOUNT PRICE DEADLINE DATE

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by February 18, 2022.

EXHIBITOR FREQUENTLY ASKED QUESTIONS

For more information and helpful hints on products and services, ordering and invoicing, shipping your freight, and other top questions, please visit [FreemanOnline FAQ page](#).

SHOW SCHEDULE

EXHIBITOR MOVE-IN

Thursday	March 17, 2022	8:00 AM - 11:00 AM	ZONE 1 ONLY
Thursday	March 17, 2022	11:00 AM - 2:00 PM	ZONE 2 ONLY
Thursday	March 17, 2022	2:00 PM - 5:00 PM	ZONE 3 ONLY

EXHIBIT HOURS

Friday	March 18, 2022	10:00 AM - 5:00 PM
Saturday	March 19, 2022	10:00 AM - 6:00 PM
Sunday	March 20, 2022	10:00 AM - 4:00 PM

EXHIBITOR MOVE-OUT

Sunday	March 20, 2022	4:00 PM - 9:00 PM
--------	----------------	-------------------

We will begin returning empty containers once aisle carpet is removed.

EXHIBITOR SERVICE HOURS

Our Exhibitor Services team will be available from 8am - 5pm from the first day of Exhibitor Move-in to the last day of Exhibitor Move-out. Hours may be extended the day before show open and the day of show close to assist with additional exhibitor needs.

DISMANTLE AND MOVE-OUT INFORMATION

All exhibitor materials must be removed from the exhibit facility by Sunday, March 20, 2022 at 9:00 PM.

To ensure all exhibitor materials are removed from the exhibit facility by the Exhibitor Move-Out deadline, please have all carriers check-in by Sunday, March 20, 2022 at 7:00 PM.

POST SHOW PAPERWORK AND LABELS

Our Exhibitor Support Department will gladly prepare your outbound Material Handling Agreement and labels in advance. Complete the Outbound Shipping form and your paperwork will be available at show site. Be sure your carrier knows the company name and booth number when making arrangements for shipping your exhibit at the close of the show.

EXCESSIVE TRASH AND BOOTH ABANDONMENT

Any excessive trash which consists of display materials, carpet, padding, crates and/or pallets will be disposed of and charged both a handling fee and disposal fee during move-in. Excessive booth materials and/or literature left in the booth at the end of the published exhibitor move-out that is not labeled for an outbound shipment will be considered abandoned and deemed as trash. The exhibitor will be charged for the removal and disposal of these items. Charges may include Installation & Dismantle Labor, Forklift/Rigging Labor, and/or Dumpster Fee. Please call our Exhibitor Support Department at (888) 508-5054 for a quote.

SHIPPING INFORMATION

Warehouse Shipping Address:

Exhibiting Company Name / Booth # _____

2022 NEW ENGLAND CANNABIS CONVENTION

C/O TFORCE FREIGHT / FREEMAN

80 CONCORD ST

NORTH READING, MA 01864

Freeman will accept crated, boxed or skidded materials beginning Friday, February 18, 2022, at the above address. Material arriving after March 10, 2022 will be received at the warehouse with an additional after deadline charge. Please note that the Freeman Warehouse does not accept uncrated freight (loose, pad-wrapped material and/or unskidded machinery), COD shipments, hazardous materials, freight requiring refrigerated or frozen storage, a single piece of freight weighing more than 5,000 pounds or a single piece of freight beyond the dimensions of 108" H x 93" W. Warehouse materials are accepted at the warehouse Monday through Friday between the hours of 10:00 AM - 4:00 PM. Certified weight tickets must accompany all shipments. If required, provide your carrier with this phone number: (888) 508-5054.

Show Site Shipping Address:

Exhibiting Company Name / Booth # _____
2022 NEW ENGLAND CANNABIS CONVENTION
C/O FREEMAN
HYNES CONVENTION CENTER
900 BOYLSTON ST
BOSTON, MA 02115-3101

Freeman will receive shipments at the exhibit facility beginning Thursday, March 17, 2022. Shipments arriving before this date may be refused by the facility. Any charges incurred for early freight accepted by the facility are the responsibility of the Exhibitor. Certified weight tickets must accompany all shipments. If required, provide your carrier with this phone number: (888) 508-5054.

Please note: All materials received by Freeman are subject to Material Handling Charges and are the responsibility of the Exhibitor. This also applies to items not ordered through the Official Show Vendors. Refer to the material handling form for charges for the service.

Please be aware that disposal of exhibit properties is not included as part of your material handling charges. Please contact Freeman for your quoted rates and rules applicable to disposal of your exhibit properties.

PURCHASE TERMS

Freeman's Terms & Conditions apply to all orders submitted to Freeman for any goods or services, and may be amended without notice. To review the current Purchase Terms, [click here](#).

LABOR INFORMATION

Union Labor may be required for your exhibit installation and dismantle. Please carefully read the UNION RULES AND REGULATIONS to determine your needs. Exhibitors supervising Freeman labor will need to pick up and release their labor at the Freeman Service Center. Refer to the order form under Display Labor for Straight time and Overtime hours.

ASSISTANCE

We want you to have a successful show. If we can be of assistance, please call Exhibitor Support at (888) 508-5054.

WE APPRECIATE YOUR BUSINESS!

FREEMAN GENERAL INFORMATION

TRANSLATION SERVICES

Freeman is pleased to offer a new service for our international exhibitors that provides quick interpretation and translation in 150 languages. This service will not only interpret for us on a three way conversation, but also translate emails from customers. To access this feature you may contact Exhibitor Support at (888) 508-5054 US & Canada or +1(817) 607-5000 Local & International.

HELPFUL HINTS

SAVE MONEY

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by February 18, 2022.

AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EACs). Thank you for your cooperation.

Call Exhibitor Support at (888) 508-5054 with any questions or needs you may have.

Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

1 *booth structure*

Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

2 *carpet*

Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

3 *shipping*

Online + before deadline = better bottom line. Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

Choose reusable shipping padding. Avoid packing peanuts and foam plastic materials that never decompose.

Ship early. Use the 30-day policy to ship materials to the Freeman advance warehouse.

4 *graphics*

Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

5 *printing*

Reduce printing and **go digital** with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

6

ON SITE

save energy

Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

MOVE OUT

train your team

Educate your installation and dismantling teams about **recycling and donation processes**.

8

shipping out

Pack in, pack out.

Leave no traces on show site.

Join a caravan.

If you're shipping directly to another show, ask **Freeman Transportation** about **joining a caravan** to your next show.

leftover materials

Remember to label.

Clearly **label recyclable leftover material** for disposal.

Donate the rest.

Ask the Freeman Exhibitors Services desk about local donation programs.

TYPICALLY* DONATE-ABLE

Furniture: Purchased items
Home furnishing: Décor
staging materials

Wood: Non-laminate wood

FREEMAN

FREEMAN.COM

Fire Regulations

The storage of combustible shipping containers must be confined to areas approved by the Fire Marshal.

The use, display, or storage of LPG, flammable liquid, or flammable gas must be approved by the Fire Marshal in writing.

The use of open flames, burning, or smoke-emitting materials as part of an act, display, or show is prohibited.

Combustible waste is to be collected as it accumulates and shall be stored in non-combustible, covered containers which are emptied at least once a day.

The use of welding and cutting equipment for demonstration purposes must be by permit from the Fire Marshal.

The use of compressed gas cylinders must be approved by the Fire Marshal and cylinders must be firmly secured in an upright position.

All commercial type cooking appliances shall be equipped with ventilation hoods and approved automatic extinguishing systems. All other cooking devices shall have adequate separation from combustible materials by spacing or non-combustible shielding.

The use of any gas-fired appliance must be approved by the Fire Marshal; the use of salamander stoves is prohibited.

Sawdust and shavings shall be kept flame-proofed.

The storage of hay and straw must be approved by the Fire Marshal.

Electrical equipment must be installed, operated, and maintained in a manner which does not create a hazard to life or property.

Provide for daily removal of trash and rubbish.

No curtains, drapes or decorations shall be hung in such a manner as to cover any exit signs.

No vehicles shall be parked in fire lanes outside of buildings.

Artificial lighting such as lanterns and candles are prohibited.

All flammable liquids used in any exhibit area shall be stored in an Underwriter's Laboratories labeled safety can.

BASIC RULES

Automotive vehicles and equipment may be displayed if:

- a. There is not more than 3 gallons of fuel or the minimum amount for positioning.
- b. Fuel tanks are locked or sealed.
- c. The battery cable used to start the engine must be disconnected and the end of the disconnected battery cable taped
- d. Ignition keys are removed and at display location.
- e. No vehicle may be operated on exhibit hall without a lead person walking in front of the vehicle warning people of vehicle movement

FLAME RETARDANT TREATMENT

All decorations, drapes, signs, banners, acoustical materials, hay, straw, moss, split bamboo, plastic cloth and similar decorative materials, shall be flame retarded to the satisfaction of the Boston Fire Department and State Fire Marshal.

Combustible materials 3/8" or more in thickness, glass or asbestos cloth may be used without flame retardant treatment.

The use of oilcloth, tarpaper, sisal paper, nylon, Orlon and certain other plastic materials which cannot be flame retardant is prohibited.

Table coverings must be flame retardant treated unless they lie flat, with an overhang of no greater than 6".

All materials must be certified by the Boston Fire Department within (6) months of the event. The Boston Fire Department does not accept certificates from other jurisdictions. Materials may be sent directly to the Boston Fire Department for testing.

The City of Boston Fire Code prohibits the use of:

- fabric attached to a ceiling or used to cover any portion of an exhibit.
- carpet on ceilings, walls, seating products, or as decorative material.

PERMITS

Fire Department - Application for a permit for the following shall be made five days in advance of the show:

1. Display and operate any heater, barbecue, heat producing device, open flames, candles, lamps, lanterns, torches, etc.
2. Display or operate any electrical mechanical or chemical device which may be deemed hazardous by the Fire Department.
3. Use or store flammable liquids, compressed gasses or dangerous chemicals.
4. Any autos, trucks, motorcycles or other motorized vehicles displayed shall have their batteries removed (or battery cables removed) and their fuel supplies reduced to not more than (3) gallons. All motor vehicle tanks containing fuel, or which have ever contained fuel, shall be furnished with locking type caps or sealed with tape to preclude "viewers" inspection. Garden tractors, chain saws, power plants, and other gasoline powered equipment shall be safeguarded in a similar manner.

COMBUSTIBLES

Literature on display shall be limited to reasonable quantities. Reserve supplies shall be kept in closed containers and stored in a neat and compact manner.

OBSTRUCTIONS

Aisles and exits as designated on approved show plans shall be kept clean, clear and free of obstructions. Booth constructions shall be substantial and fixed in position in specified areas for the duration of the show. Easels, signs, etc., shall not be placed beyond booth area into aisles.

Fire fighting equipment shall be provided and maintained in accessible, easily seen locations.

PORTABLE SPOTLIGHTS

Only clamp-on types of portable spotlights are allowed, with porcelain base and metal guards.

Use of ceramic-porcelain or molded composition type of neck-shell is the only type approved for use in a Boston Convention Facility. On/off switches are usually located in the neck.

Where any spotlight or lamp is subject to physical damage, damp places, or comes into contact with combustible material, it shall be equipped with a substantial guard attached to the lamp holder or the handle.

Flexible cord extensions may only be used for portable lamps/appliances that are of allowable amperage for the size and type of a three (3) conductor cord connected to and for the utilization of any equipment. The third conductor is used for equipment grounding purposes.

THESE ARE BASIC RULES AND EVERY EXHIBIT MUST COMPLY PRIOR TO SCHEDULED OPENING. FOR ASSISTANCE PLEASE CONTACT THE BOSTON FIRE DEPARTMENT. - Fire Marshal

SHOW # (510085) _____

WHAT ARE FREIGHT SERVICES?

.....

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- On the Material Handling Form, locate the rate that applies to your shipment and multiply that rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will either be rerouted on Freeman's carrier choice or delivered back to the warehouse at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

OTHER AVAILABLE FREIGHT SERVICES

(may not be available in all locations)

- Cranes
- Accessible storage at show site
- Exhibit transportation services (see enclosed brochure)
- Security storage at show site
- Short-term and long-term warehouse storage
- Local pick-up and delivery
- Priority empty return

FREEMAN®

material handling simplified

Our new straight forward pricing makes pre-show budgeting easier. Pay for your actual weight per-pound with no invoice surprises.

- × No minimums
- × No crated
- × No special handling
- × No carpet & pad only
- × No uncrated
- × No hundred-weight billing
- × No reweigh fees
- × No overtime
- × No marshalling yard fees
- × No rounding - pay only for actual weight

It's just easier!

MATERIAL HANDLING

Freeman is the exclusive provider of material handling services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. You have two options for shipping your advance freight - either to the warehouse or directly to show site. Material handling charges will automatically be applied to your account upon receipt of each shipment. It is not necessary to return this form to receive material handling services.

RATES

Material Handling..... \$ 2.26 per pound
Rate applies to shipments sent to either the warehouse or directly to show site.

Material Handling - After Deadline \$ 2.82 per pound
Rate applies to shipments arriving at the warehouse after **MARCH 10, 2022**.

Material Handling - 10 lbs and under **Free of Charge**
This rate is per shipment. A qualifying shipment totals any number of pieces delivered to the same booth, by the same carrier, from the same shipper, on the same day, weighing 10 pounds or less.

IMPORTANT SHIPPING INFORMATION

Freeman Exhibit Transportation offers fast and easy service! Please call (800) 995-3579 to have one of our representatives help arrange all your shipment needs.

Warehouse:

- Avoid wait times at show site; ship to our warehouse!
- Warehouse receiving begins on **FEBRUARY 18, 2022**.
- Warehouse address: **Exhibiting Company Name / Booth #**
2022 NEW ENGLAND CANNABIS CONVENTION
C/O TFORCE FREIGHT/FREEMAN
80 CONCORD ST
NORTH READING, MA 01864
- Please note that the Freeman warehouse does not accept uncrated freight (loose, pad-wrapped material and/or unskidded machinery), COD shipments, hazardous materials, freight requiring refrigeration or frozen storage, a single piece of freight weighing more than 5,000 pounds or a single piece of freight beyond the dimensions of 108"H x 93"W.

Show Site:

- Show site receiving begins on **MARCH 17, 2022**.
- Show Site address: **Exhibiting Company Name / Booth #**
2022 NEW ENGLAND CANNABIS CONVENTION
HYNES CONVENTION CENTER
C/O FREEMAN
900 BOYLSTON ST
BOSTON, MA 02115-3101

Outbound:

- Submit your outbound shipping information in advance and we will deliver your paperwork to your booth during the show.

MACHINERY HANDLING

Freeman is the exclusive provider of machinery handling services. Rates include unloading your machinery at show site, delivery to the designated booth, and removal from the booth for reloading onto outbound carriers. Handling charges will automatically be applied to your account upon receipt of each shipment. It is not necessary to return this form to receive machinery handling services.

RATES

Machinery Handling - 0 - 1,000 lbs.....	\$ 1.75 per pound
Machinery Handling - 1,001 - 2,500 lbs.....	\$ 1.55 per pound
Machinery Handling - 2,501 - 5,000 lbs.....	\$ 1.35 per pound
Machinery Handling - 5,001 - 10,000 lbs.....	\$ 1.22 per pound
Machinery Handling - 10,001 - 20,000 lbs.....	\$ 1.10 per pound

IMPORTANT SHIPPING INFORMATION

General Information

- Rates above apply to machinery with proper lifting bars, points, hooks, or machinery that is skidded or crated which may be moved on or off the loading dock, vehicle or show floor by a forklift with NO special handling required. Forklift lifting points must be clearly marked. This does not apply to display materials.
- If it is necessary to unskid the machine before removing it from the container, labor and equipment charges will be added to the stated rates. **Please refer to the "Forklift & Rigging Labor Order Form".**
- Certified weight tickets are required. Separate weight for display materials and machinery equipment are required. If the weight is not separated and/or materials are not identified properly, the Material Handling rate will prevail.
- Freeman retains the right to determine whether or not the materials qualify for the machine rate.
- Machinery will be spotted with a 6" tolerance one time after removal from the truck, provided the following conditions are met:
 1. The exhibitor, or his representative, must be present to supervise the spotting.
 2. The area within the booth is clearly marked to indicate the machine's position.
 3. No rigging, bolting or unbolting, un-skidding or attaching to other equipment must be performed.
 4. Vehicles must be checked in no later than (time) to be unloaded by (time). Vehicles checking in after (time) cannot be guaranteed unloading prior to (time).

Freeman Exhibit Transportation

Freeman Exhibit Transportation offers fast and easy service! Please call (800) 995-3579 to have one of our representatives help arrange all your shipment needs.

Show Site

- Please note that machinery shipments will not be accepted at the warehouse. All machinery shipments should be sent directly to show site.
- Show site receiving begins on **MARCH 17, 2022.**
- Show site address:

Furnishings Brochure

Comfortable and Safe Networking

Meaningful engagement doesn't have to be complicated.

Networking and connecting with peers face-to-face is a key objective of attending in-person events. Delivering environments which facilitate both ad-hoc and in-depth networking is important in accommodating attendee needs and will allow attendees to connect with peers effectively, comfortably, and safely.

To help you feel confident as you begin to plan your in-person and hybrid events, we have developed **Freeman SafeConnect**. This program includes standards, protocols, and service offerings that reflect our values and commitment to safety and wellbeing — for our people, our customers, and our attendees.

for Tradeshow Booths.

Complete The Look Of Your Exhibit Space

Freeman makes it easy to furnish your next exhibit space with recommended booth packages available on FreemanOnline. To view all available booth packages for your event and order your favorite, visit freeman.com/store.

The Showcase 10'x10' booth package is designed for exhibitors with small, high value items to display. Multiple cabinets elevate your products and make it easy to catch the eye of attendees.

Shown here with Zoey Barstools

The Cinematic 10'x20' booth package is designed for exhibitors needing large monitors to display presentations, while hosting attendees in a comfortable and inviting environment.

Shown here with Banana Barstools

The Gather 10'x10' booth package turns your booth into a comfortable oasis from the bustle of the show floor. Ideal for comfortable one-on-one time with prospects.

Group Seating

Lounges

Carefully designed lounges deliver a safe and effective setting for casual and relaxed connections. The strategic placement of other furniture pieces—like coffee tables, room dividers, and large plants—helps to maintain order and preserve social distancing protocols while delivering comfortable and safe networking.

Accent Tables

Tables and Meeting Rooms

When you want to facilitate more in-depth conversations and provide work surfaces, be sure to use appropriately-sized tables. As always, create generous aisleways between meetings spaces; this will help individuals feel comfortable networking.

Strategic planning with health & safety in mind

Health & Safety are the top priorities as we consider new designs and ways to connect. When those are clearly emphasized on the show floor, attendees will feel more confident re-engaging.

Together, let's imagine what this new experience will look like - based on both what is possible and realistic. Some recommendations may be new to you. Some, not. To get you started, our top five recommendations include

In all cases, we've put considerable thought into them.

[Click](#) to learn more detailed, interactive, printable checklist.

Freeman® top five health & safety Recommendations include:

1. Strategize your audience approach
2. Re-imagine your booth design.
3. Evaluate a hybrid booth approach
4. Create safe networking opportunities during the show
5. Stay connected to your audience post-show

Health & Safety

Sanitization Product & Services

Hand Sanitizing Stations

Using hand sanitizer reduces microbial counts and kills many harmful germs that could compromise the health of attendees with the COVID-19 and other viruses. Hand sanitizing stations provide convenient access to hand sanitizer after interactions where they happen.

1510103 Clear Barrier
(plexi, clear) 31.5"W x 36"H

Also available in opaque and personalization available.

SEEING IS BELIEVING

.....

Quality graphics contribute significantly to the impact of your exhibit. With state-of-the-art design and printing capabilities, Freeman brings your banners, signage, and exhibit graphics to life in a larger-than-life way. Our graphics products redefine "high definition," which means your brand has never been seen like this before.

- Photo-quality / high-resolution printing on a variety of rigid and rolled material including honeycomb, foam, Polyfoam, PVC, acrylic, fabric, vinyl and mesh materials
- Grand Format printers provide high-resolution digital printing of single and double-sided banners in virtually any size
- Electronic file transfer, in-house printing, and company-wide procedure standardization allow us to control quality, cost and scheduling on a nationwide basis
- Extensive resources ensure that last minute repairs and replacements are handled efficiently as needed, no matter where your event may be located

Call customer service at the number listed on the Quick Facts. For fast, easy ordering, go to freeman.com

CREATING VISUAL EXCITEMENT

Quality graphics contribute significantly to the impact of your exhibit. Vivid colors and sharp images attract attention, build traffic, and communicate messages more effectively. Freeman has invested in the latest printing technology and has the skills to provide you with the finest high-resolution digital graphic reproduction available.

STATE-OF-THE-ART CAPABILITIES

Freeman can provide four-color, photo-quality, high-resolution digital printing in virtually any size for banners, signage, exhibit graphics, and more. Each Freeman location has stand-alone printing capabilities, along with two additional graphic locations for additional support and for special requirements.

SUPERIOR QUALITY CONTROL

Electronic file transfer, in-house printing, and company-wide standardization of procedures allow us to control quality, cost and scheduling for our customers on a nationwide basis. Last minute repairs and replacements are handled efficiently through our nationwide resources.

DEPTH OF RESOURCES

- 5M UV roll printers provide grand format, four-color, high-resolution digital printing of single and double-sided banners up to 16' wide and virtually any size with seams.
- 3M Dye Sublimation printers provide 10' fabric graphics that work perfectly in our SmartWall panel system.
- UV flatbeds print directly to a variety of ridged materials and offer a 100% recyclable graphic when using a cardboard substrate.
- Freeman offers 100% recyclable substrates that can save you money and the environment.
- Large format Eco-Solvent printers produce high quality graphics for wall, carpet and window applications.
- 3M high speed digital cutters allow for precise cutting of multiple panel applications and also custom router graphic panels.
- Computer-aided graphic design & layout available for your assistance.

REPRODUCTION AND INSTALLATION

- Suspended banners
- Accent graphic photo panels
- Large format signage and banners
- Logo reproduction
- Backlit displays and murals
- Four-color carpet image printing

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:

- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE

- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:

- Native files with fonts and links (zipped)
- High-res PDF-X/4 exports of the files

ACCEPTABLE FILE TYPES and SUPPORT FILES

NATIVE FILES:

- AI CLOUD (CC) file with Packaged supporting links and fonts. You may keep images linked but Packaging feature must be used.
- AI (CS6, CS5, CS4...) file with embedded links and outlined fonts
- EPS file with embedded links and outlined fonts
- INDD file with Packaged supporting links and fonts

PRINT FILES:

- High-res PDF-X/4 (preferred)
- AI with PDF content (choose this option when saving file)
- EPS files with embedded links and outlined fonts

RASTER OR BITMAP ART:

- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

WAYS TO SEND ARTWORK

- When placing an order online, your order confirmation will include a link to our secure file sharing library so you may upload your graphic files. If your order is faxed in, or if you are working directly with a Freeman team member, a link will be emailed to you when your order is processed.

UNION JURISDICTIONS BOSTON, MASSACHUSETTS

We have provided these definitions to acquaint you with specific guidelines for labor. If you have any questions once you have read this, please address them to Show Management or to Freeman directly.

The unpacking, erection, assembling, dismantling, and packing of displays and equipment may be done by full-time employees of an exhibiting company. The official labor contractor for the exposition will have skilled craftsmen to assist exhibitors who wish to hire labor to perform these services. Arrangements for all temporary labor should be made through the official service contractor. Official labor order forms are included in the exhibitor service manual.

MATERIAL HANDLING

Work rules require that the official material handling contractor off-load all equipment and display material from commercial carriers/common carriers or van lines. ***The use of fork trucks, pallet jacks and lift gates are permitted only by personnel of the official material handling contractor.*** Exhibitors are allowed to perform their own material handling, provided they meet all of the following criteria:

Personnel performing the work must be **bonafide, full-time company employees** of the exhibiting company.

They must be off-loading from a company owned truck or rental vehicle, or from a car, van or truck owned by personnel of the exhibiting company. All trucks, including co-owned or rental vehicles, over 24' in length will be off-loaded or loaded by the official material handling contractor.

They may use **only** hand-operated equipment, which they have provided; two-wheeled hand trucks and four-wheeled flat trucks are permitted. The use of fork trucks, pallet jacks, lift gates or any other mechanical equipment is not permitted by anyone other than the official drayage contractor.

BOOTH LABOR

Exhibitors are allowed to set-up and/or dismantle their own booths, provided that they use their own **bonafide, full-time employees**. Please advise them not to bring outside labor of any kind.

TIPPING

Our Work Rules prohibit the SOLICITATION of tips by any of our employees. Our employees are paid excellent wages denoting a professional status and we feel that tipping is not necessary. Should you be SOLICITED for a tip, please report the incident to our Service Center as soon as possible.

LET US DO THE HEAVY LIFTING

Freeman specialists are ready to assist you with all of your exhibit requests, from beginning to end. And when it comes to installing and dismantling exhibits, we make no exceptions. Whether it's shipping and storage, emergency on-site repairs, basic installation and dismantling or support service coordination, including electrical, furnishings and more, Freeman has the resources and capabilities to ensure the most successful show experience possible.

Call customer service at the number listed on the Quick Facts. For fast, easy ordering, go to www.freeman.com

Freeman installation & dismantling experts work closely with you to coordinate every phase of your trade show participation, including:

- Pre-planning and budget consultation
- Skilled labor coupled with support services coordination - electrical, furnishings, floral, transportation, and audio visual
- On-site supervisors with dedicated floor managers
- Full, in-house carpentry for emergency repairs and refurbishing
- Post-show evaluations focused on incremental improvement to meet rapidly changing market conditions based upon customer feedback
- Post-show evaluations that help identify small changes that make big impacts

ON-SITE SUPERVISION

You may wish to supervise labor on your own, but if you need assistance, Freeman installation & dismantling experts will get the job done as an extension of your team.

If You Use Freeman Staff

Exhibits can be set up prior to your arrival under the direction of Freeman I&D supervisors.

HANGING SIGN LABOR

INSTRUCTIONS

- Overhead hanging signs are to be sent in separate containers directly to advance warehouse using the enclosed Hanging Sign Labels. This container **MUST** arrive by the warehouse shipping deadline. If these procedures are not followed, Freeman cannot guarantee the hanging of your sign or advance pricing.
- All ceiling rigging must conform to show management rules and regulations and facility limitations.
- All overhead hanging must be assembled, installed, and removed by Freeman. Please refer to the Freeman Terms and Conditions found in the Exhibitor Services Manual as it relates. Please complete the enclosed Labor Order Form for labor to assemble your hanging sign.
- Set up instructions must be provided for signs needing assembly.
- Hanging anchor points must be pre-fabricated and ready for use.
- Electrical signs must be in working order and in accordance with the National Electrical Code. Electrical service requirements must be ordered in advance on the enclosed Electrical Order Form.
- If any hang point supports over 250 lbs., notify Freeman immediately for special authorization.

SIGN DESCRIPTION, SIZE & WEIGHT

For signs other than banners, include blueprint or drawing with detailed information so hanging anchor points can be determined.

Type: Cloth Banner _____ Metal or Wood _____ Other _____

Shape: Square _____ Triangle _____ Rectangle _____ Other _____

Size: Height _____ Length _____ Width _____

Weight of Sign: _____

Does Your Sign Require: Electricity _____ Assembly _____

Is Your Sign Designed to Rotate? _____ Yes _____ No
(Initial in the applicable box above)

PLACEMENT DIAGRAM

- Use diagram below to represent your booth space. Indicate how far in from each boundary you would like your sign placed.
- The ceiling structure and relation to the support beams may require your sign to be moved from your specified location.

Number of feet from floor to top of sign: _____

TERMS & CONDITIONS

1. Straight time rates apply to labor calls between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday. Overtime rates apply to labor calls before 8:00 a.m. and after 4:30 p.m., Monday through Friday, Saturdays, Double time rates apply to labor calls all day Sundays and Holidays.
2. Labor rates are based on current wage scales and are subject to change in the event of a wage increase after rates have been published.
3. A minimum charge of one hour is applicable to all labor requests. Additional time on the same day is billed in 1/2 hour increments. Continuations to another day are a minimum of 1 hour. A one hour minimum charge will apply to pick up cords.
4. Charges for labor commence at time of dispatch to service the labor call. A one hour minimum will apply if an exhibitor representative is not present at the time of call or reschedules the call, unless 24 hour advance notice is received in writing.
5. Labor charges will include the time for laborers to gather the necessary tools and material for the job, have their work checked by the client and return the tools and material to the supply area.
6. Every effort will be made to dispatch laborers as requested but start times cannot be guaranteed. 8:00 a.m. calls will be filled on a first come first served basis as orders are received.
7. Claims will not be considered, or adjustments made, unless filed in writing, by Exhibitor, prior to the close of the event.
8. Freeman is not responsible for any damage or loss caused by the loss of power beyond its control and Exhibitor agrees to hold Freeman, its officers, directors, employees and agents harmless from such power loss. IN NO EVENT SHALL FREEMAN BE LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS) EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCTS LIABILITY OR OTHERWISE. Exhibitor shall indemnify and hold harmless Freeman, its officers, directors, employees, and agents from and against any and all claims, liabilities, damages, fines penalties or costs of whatsoever nature (including reasonable attorneys' fees) arising out of or in any way connected with Exhibitor's actions or omissions under this Agreement.

EXAMPLE OF PLAN AND INFORMATION REQUIRED TO COMPLETE FLOORWORK

Please indicate the following on the floor plan.

1. Location and load of main power drop - please provide specific dimensions and wattages/amperages.
2. Location and load of all outlets - please provide specific dimensions and wattages/amperages.
3. Booth orientation - please provide surrounding aisle and/or booth numbers

IN LINE BOOTHS

Power is run or dropped to in line booths along the back walls or drupe line of multi booth sections. The "main power locations" therefore are always located at the back of in line and peninsula booths. Outlets may not be in the exact center of the back wall. 120 volt outlets are shared by back to back booths.

Example: Outlet = ⊗

Introduction

On behalf of the Massachusetts Convention Center Authority, welcome to Boston!

We are excited to have you exhibit at our state-of-the-art facilities and look forward to working together to help you achieve your most ambitious goals. We are proud to offer the service, technology, and resources that will help you bring your vision to life. Our Exhibitor Services Team is an invaluable resource to assist you with transforming your ideas into an unforgettable event for your guests.

World-class customer service has become our signature as a meetings destination, which is why we have given our meetings and conventions experience a new name: Signature Boston. Unique and personal, a signature represents a promise that defines who we are and what we stand for. It speaks to our unwavering commitment to making every event we host in our city a success beyond your expectations.

This Ordering Guide is designed to make planning and ordering easy for all exhibitors. Each service section contains the following:

- Description of Services & Equipment and Pricing;
- Installation & Connection Information;
- Terms & Conditions, and;
- Frequently Asked Questions.

In addition to the orderable services listed in this guide, the MCCA also offers the following services for you to take advantage of on-site:

- Exhibitor Service Desk with assigned Event Associate
- Internet Support Services
- Free Wireless Internet Service
- FedEx Business Center

If you have any unanswered questions, please contact Exhibitor Services at 1.617.954.2230 or exhibitorservices@SignatureBoston.com, and we will be happy to assist you!

General Information

ORDERING POLICIES & PROCEDURES

Pricing

Discount, Standard and On-Site rates are available for most services. To qualify for the discount rate, order requests and payment must be received 21 days prior to the show opening. Standard rates will apply to orders received after this discount cut-off date and be effective until move-in begins. On-site rates will apply to orders received once move-in has begun.

Ordering

Exhibitors are encouraged to submit orders online at our secure and easy-to-use website, www.SignatureBoston.com. Credit card payment is required for all online orders. Exhibitors who prefer to mail in their orders and pay by check will find our Service Order Forms in the Appendix of this guide. No telephone orders will be accepted.

Exhibitors should be aware of the following when placing orders:

- All payments must be in US currency;
- The date payment is received determines the applicable rate (see Pricing above);
- Incomplete order or payment information will delay processing;
- Booth number(s) must be identified on all order forms.

Payments

Payment for services must be received in advance. Service will be delivered only after payment is received. All outstanding charges must be paid before the close of the show. Please note that there will be no additional taxes added to service charges.

Refunds

Claims for refunds must be submitted by the exhibitor to Exhibitor Services prior to event close. Credit will not be given for services installed and not used. Refunds are issued in the same manner in which payment was received.

General Terms & Conditions

- All booth number changes must be communicated by the exhibitor to Exhibitor Services prior to exhibitor move-in. Additional charges may result, if services must be moved after initial set-up.
- All equipment and material furnished by the MCCA shall remain the property of the MCCA and shall be removed only by MCCA personnel.
- Standard wall outlets and other permanent building outlets (e.g., electrical, telephone, plumbing, etc.) are not part of the booth space and may not be used by anyone other than MCCA personnel or designated service provider.
- Service connections must be made by MCCA personnel or designated service provider.
- Connection services generally cover the installation of service to the booth area in the most convenient manner to the MCCA.
- All equipment must comply with state and local safety codes. MCCA will refuse connection to any equipment that constitutes a safety hazard.
- Unless otherwise directed, MCCA personnel are authorized to cut floor coverings to permit installation of services.

Electrical Services

The MCCA offers a variety of electrical services through our experienced in-house team of electricians.

SPECIAL CONNECTIONS (208 volt & 480 volt power)	DISCOUNT	STANDARD	ON-SITE
Unless otherwise indicated in parentheses (), all special power connections will be hard-wire connected. To order Three Phase 100 amp service and higher, please contact MCCA exhibitor services for availability.			
208v single phase 30 amp (nema l21-30p)	\$390.00	\$480.00	\$580.00
208v single phase 60 amp	\$740.00	\$915.00	\$1,100.00
208v single phase 100 amp	\$1,130.00	\$1,415.00	\$1,695.00
208v three phase 30 amp (nema l21-30p)	\$695.00	\$870.00	\$1,045.00
208v three phase 60 amp	\$1,055.00	\$1,315.00	\$1,585.00
Note: Any 100+ amp connection must be approved by MCCA Exhibitor Services. Please call 617.954.2230.			
208v three phase 100 amp	\$1,675.00	\$2,095.00	\$2,515.00
208v three phase 200 amp	\$3,195.00	\$3,995.00	\$4,795.00
208v three phase 400 amp	\$5,645.00	\$7,055.00	\$8,465.00
480v three phase 30 amp	\$1,065.00	\$1,325.00	\$1,595.00
480v three phase 60 amp	\$1,850.00	\$2,310.00	\$2,775.00
480v three phase 100 amp	\$3,410.00	\$4,265.00	\$5,120.00
480v three phase 200 amp	\$6,770.00	\$8,465.00	\$10,165.00

STANDARD CONNECTIONS (120 volt power)	DISCOUNT	STANDARD	ON-SITE
500 watt box One 5 amp circuit and one receptacle or plug point	\$140.00	\$170.00	\$200.00
1000 watt box One 10 amp circuit and two receptacles or plug points	\$180.00	\$220.00	\$265.00
2000 watt box One 20 amp circuit and a minimum of three receptacles or plug points	\$220.00	\$270.00	\$330.00
4000 watt box Two 20 amp circuits and a minimum of three receptacles or plug points	\$255.00	\$320.00	\$380.00

ADDITIONAL ELECTRICAL SERVICES & EQUIPMENT	DISCOUNT	STANDARD	ON-SITE
25' round extension cords 25' round, yellow extension cords for use in exhibit booths. Each cord has three, three-prong receptacles on the end. <i>*Please Note: These extension cords cannot be used to run underneath booth carpeting.</i>	\$40.00	\$45.00	\$55.00
6 Port Power Strip Purchase	\$30.00	\$30.00	\$35.00
24 hour power If booth equipment requires electricity 24 hrs a day (for example, a Refrigerator), then the exhibitor should order 24 hr power. In general, electrical service begins half an hour before the show and ends one hour after the show closes.	Add 50% to Initial Connection Rate		

OVERHEAD POWER

Overhead power is available upon approval by the MCCA:

- At the Hynes Convention Center, overhead 120v electrical service is available in Halls A, B, C and certain areas of Hall D and Auditorium.
- If an overhead sign, truss, banner or other rigged item requires overhead 120v power, the MCCA can provide this service in any area of the Hynes.
- If an overhead sign, truss, banner or other rigged item requires overhead 208v or 480v power, the MCCA can provide this service in limited areas of the Hynes. Please contact the MCCA Exhibitor Services team for availability.
- Overhead power must accompany a rigging order.

Installation & Distribution

- MCCA Electricians will provide the initial electrical power source.
- Electrical Service is brought from the nearest column or floor port into the booth. The electrical outlets or boxes are placed in the rear of the booth along the pipe & drape line.
- Electrical boxes are left accessible inside floor ports for island booths with no pipe and drape lines and no columns in their booth space.
- For 208V & 480V connections, we require floor plans so that we may provide the electrical service in a convenient location within the booth.
- Exhibitors are responsible for distributing their own 120V electrical cords and plugging in their booth equipment. Exhibitors may choose to:
 - » Hire labor from the General Service Contractor;
 - » Hire a third-party Installation & Dismantle (I&D) team to perform the distribution work;
 - » Bring their own company electrician to perform distribution and hardwire connections as long as he/she is a full time employee of the exhibiting company.

Terms & Conditions

- The MCCA is the exclusive provider of electrical service. All electrical equipment shall remain the property of the MCCA and may not be installed or removed by anyone other than MCCA personnel.
- All services listed include labor to install and remove said service. Rates do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an exhibitor requires additional electrical labor outside of the standard service, services will be billed at an hourly rate with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice:
 - » Hourly Rate (All times) \$95.00
- The use of open clip sockets, duplex or triplex attachment plugs, latex or lamp cord is prohibited. All cords must be of the 3 wire grounded type and UL approved. Cords can be no smaller than 12 wire or 12 gauge. Any exposed non-current carrying metal parts of fixed equipment must be grounded.
- Electrical equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc.
- The MCCA cannot be responsible for voltage variations of the power company.

FREQUENTLY ASKED QUESTIONS

If the MCCA doesn't run my electrical cords, and I can't do it myself, who should I send my electrical layout plan to?

If you have booth floor plans that include electrical layouts, you should share that information with your preferred setup personnel. If you are working with a third-party exhibit company, they may run the cords for you. If you need to hire labor to run cords for you, the show's General Service Contractor can help you. Typically, the General Service Contractor will include an Electrical Cord Labor Form in the Exhibitor Kit. The MCCA is happy to keep any floor plans on file for reference. In fact, we recommend that you forward your electrical layouts to Exhibitor Services for all 208V and 480V connections so that we may place the initial drop in the most convenient location possible.

How do I know if I need a 208V or 480V connection?

Most exhibitors do not require special connections like a 208V or 480V connection. Many times, these types of electrical services are required for heavy equipment and/or specialized machinery. Kindly consult with the equipment manufacturer, name plate rating or installation technician for specific details. Exhibitors who bring their own distribution panels may need one of these special connections.

How do I know how much power I need to order?

When determining how much power to order for a booth, it is helpful to know how much total power is required for the equipment in your booth space. Below, we have outlined some standard electrical requirements (requirements may vary).

- Standard Laptop 250-550 watts
- Lead Retrieval 300-500 watts
- Standard Plasma TV 300-400 watts

Items like laptops, standard booth lights, and televisions may be grouped together on one circuit provided they do not exceed the overall limit of the circuit or the surge protection device. There is some equipment that requires its own circuit to run properly. For example, a microwave or refrigerator requires its own dedicated circuit, so a laptop and refrigerator should not use the same power source.

I am an International Exhibitor and my equipment requires a converter to step down from 220V to 208V. Can I rent a converter from the MCCA?

The MCCA does not rent or supply power conversion equipment. Exhibitors are required to bring their own to the show.

I can't find 208V or 480V overhead service listed on your online ordering site. How can I order this service?

208V & 480V overhead services are limited in our convention centers. All requests for such connections must be approved by an MCCA electrician; please contact MCCA Exhibitor Services for more information.

Telephone Services

The MCCA offers a variety of telephone services through our experienced in-house technicians.

STANDARD TELEPHONE SERVICES	DISCOUNT	STANDARD	ON-SITE
Single-Line Phone Service Service includes one phone number and rental of one hard wired digital display phone. Equipment must be returned at the close of show.	\$305.00	\$375.00	\$460.00
Multi-Line Phone Service Service includes one phone number with multiple line appearances and rental of one hard wired digital display phone. Equipment must be returned at the close of show.	\$445.00	\$550.00	\$665.00
Vonage Single Line App Service Service includes one phone number, no handset. This is an app based service available by downloading the Vonage app on a personal mobile device. Available for iPhone and Android	\$185.00	\$230.00	\$275.00
Vonage Multi-Line App Service Service includes one phone number, no handset. This is an app based service available by downloading the Vonage app on a personal mobile device. Available for iPhone and Android	\$255.00	\$330.00	\$385.00

ADDITIONAL TELEPHONE SERVICES AND EQUIPMENT	DISCOUNT	STANDARD	ON-SITE
Call Forward (per phone line) Allows user to send calls to another phone.	\$55.00	\$70.00	\$85.00
Voicemail (per phone line) Allows user to setup a custom greeting and receive messages from incoming callers.	\$50.00	\$65.00	\$80.00
Call Waiting (per phone line)	\$50.00	\$65.00	\$80.00
Unreturned Device Fee Phone device delivered with service. Only charged if not returned post show.	\$170.00	\$170.00	\$170.00

INSTALLATION & CONNECTIONS

- MCCA technicians typically provide a line that is long enough to run anywhere in your booth. Exhibitors may have their preferred setup personnel run their phone cord(s) under the carpet to desired locations, or they may hire the General Service Contractor to do so.
- All telephone equipment can be picked up at the MCCA Exhibitor Services Desk.

Terms & Conditions

- The MCCA is the exclusive provider of all telephone services. All telephone equipment shall remain the property of the MCCA and may not be installed or removed by anyone other than MCCA personnel.
- All MCCA telephone equipment must be returned to the Exhibitor Service Desk prior to the close of the show. Failure to return MCCA phones will result in a replacement fee.
- All services listed include labor to install and remove said service. Rates do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an exhibitor requires additional telephone labor outside of the standard service, services will be billed at an hourly rate with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice.

FREQUENTLY ASKED QUESTIONS

How do I know if I need a single-line or a multi-line service?

Single-line phones are just like most household phones. They can be used for fax lines, credit card machines, standard telephones, and even to dial-up internet service (although we do not recommend this method of internet connectivity). A Multi-Line Service includes one phone number with multiple line appearances and rental of one digital display phone.

How do I receive my phone number, dialing instructions, and phone equipment?

Please visit the MCCA Exhibitor Services desk onsite to pick up your equipment. At this time you will receive assigned phone numbers and dialing instructions. This information can also be provided ahead of time if requested through Exhibitor Services.

How can I place international calls on my phone line?

All phone lines will have the ability to place local, US and International calls.

Internet & Technical Services

The MCCA offers a variety of Internet and Technical services through our experienced in-house team of technicians.

Wired Internet Connections

Exhibitors who order wired internet drops are provided with one internet connection and assistance, as needed, from our internal IT Support Services staff. All MCCA Internet services include one initial line regardless of how many IPs are ordered with the service. To have more than one computer connected at one time, exhibitors may bring their own switch or hub device and cables, or they may purchase a switch from the MCCA. Exhibitors are asked to read through the following service descriptions closely to ensure that the purchased service level is sufficient to meet their bandwidth requirements during the entirety of the show. Below are basic guidelines for ordering wired Internet services.

All services are delivered DHCP. Public IP addresses are available upon request with all of our managed services listed below. Public IP addresses are not available with our Basic Service Package. Managed Services requesting public IP addresses require manual configuration to each machine.

Custom orders for bandwidth above listed service levels below can be ordered on a case-by-case basis through the MCCA's Exhibitor Services Department at **617-954-2230** or **exhibitorservices@signatureboston.com**.

MANAGED SERVICES Manually configured services require entry of IP addresses into the device before the device may access the internet.	DISCOUNT	STANDARD	ON-SITE
Basic Service Package The Basic Service Package includes a private VLAN and subnet. This level is sufficient if the main use is for a basic internet connection, such as for e-mail or internet browsing. The Basic Service package may not be fast enough for streaming video or multi-purpose use. Public IP addresses are not available with this service.	\$1,015.00	\$1,080.00	\$1,295.00
1.54 Mbps Managed Service The 1.54 Mbps Managed Service Package includes a private VLAN and subnet. This level is sufficient if the main use is for a basic internet connection, such as e-mail, internet browsing, or standard definition video streaming. It may not be fast enough for multi-purpose use. Public IP addresses available upon request.	\$2,055.00	\$2,435.00	\$2,915.00
3 Mbps Managed Service The 3 Mbps has more bandwidth than the 1.54 Mbps service and includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for basic e-mail and web browsing, standard definition video streaming, or can accommodate multiple Internet connections.	\$5,000.00	\$5,740.00	\$6,885.00
6 Mbps Managed Service The 6 Mbps has more bandwidth than the 3 Mbps service and includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 4 standard definition video streams, or a single HD video stream, or can accommodate multiple Internet connections.	\$8,455.00	\$9,740.00	\$11,690.00
10 Mbps Managed Service The 10 Mbps service includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 6 standard definition video streams, a single HD video stream, or can accommodate multiple Internet connections.	\$11,315.00	\$12,990.00	\$15,585.00

15 Mbps Managed Service The 15 Mbps service includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 2 HD video streams, or a single 4K stream, or can accommodate multiple Internet connections.	\$16,670.00	\$19,160.00	\$22,990.00
20 Mbps Managed Service The 20 Mbps service includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 3 HD video streams, or a single 4K stream, or can accommodate multiple Internet connections.	\$22,145.00	\$25,470.00	\$30,565.00
25 Mbps Managed Service The 25 Mbps service includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 4 HD video streams, or a single 4K stream, or can accommodate multiple Internet connections.	\$27,510.00	\$31,660.00	\$37,995.00
30 Mbps Managed Service The 30 Mbps service includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 5 HD video streams, or up to two 4K video streams, or can accommodate multiple Internet connections.	\$32,740.00	\$37,670.00	\$45,200.00
35 Mbps Managed Service The 35 Mbps service includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 5 HD video streams, or up to two 4K video streams, or can accommodate multiple Internet connections.	\$38,105.00	\$43,840.00	\$52,605.00
40 Mbps Managed Service The 40 Mbps service includes a private VLAN and subnet. Public IP addresses are available upon request. This level is sufficient for 6 HD video streams, or up to two 4K video streams, or can accommodate multiple Internet connections.	\$43,100.00	\$49,575.00	\$59,490.00

ADDITIONAL INTERNET SERVICES & EQUIPMENT	DISCOUNT	STANDARD	ON-SITE
Copper Patch/ Booth to Booth Connection Copper Patch is a method of connecting computers or network equipment that may be in different locations in the facility. Copper patches can transmit data, audio, and video. This is not available with the shared service.	\$360.00	\$460.00	\$550.00
Fiber Patch/ Booth to Booth Connection Fiber Patch is a method of connecting computers or network equipment that may be in different locations in the facility. Fiber patches can transmit data, audio, and video.	\$510.00	\$630.00	\$760.00
Switch-8 Port This switch can connect up to 7 computers or devices together, giving all access to the internet service ordered.	\$105.00	\$150.00	\$180.00
Switch-24 Port This switch can connect up to 23 computers or devices together, giving all access to the internet service ordered.	\$375.00	\$485.00	\$580.00
25' CAT 5e Cable	\$48.00	\$61.00	\$71.00
50' CAT 5e Cable	\$66.00	\$87.00	\$102.00
100' CAT 5e Cable	\$105.00	\$130.00	\$155.00
Ethernet Cable Coupler	\$18.00	\$22.00	\$28.00

TECHNICAL SERVICES	DISCOUNT	STANDARD	ON-SITE
Cable TV Service Cable TV service is basic business cable service provided by Comcast Cable. Service is provided to booths from floor boxes or columns.	\$265.00	\$330.00	\$400.00
CATV Tuner (Only available at the BCEC) For TVs that are not cable-ready (including some plasmas), the CATV tuner interprets the signal and allows you to tune the signal. It functions similar to your cable box at home.	\$63.00	\$80.00	\$97.00
CATV Tap Box A distribution box which allows up to 16 CATV feeds from a single cable tap.	\$220.00	\$270.00	\$325.00

* For advanced Technical Service offerings, consult the online ordering site or contact MCCA Exhibitor Services.

INSTALLATION & CONNECTIONS

- MCCA technicians will provide one initial network cable.
- Internet Service is brought from the nearest column or floor port into the booth.
- All MCCA internet services come with one initial line regardless of how many IPs are ordered with the service. To have more than one computer connected at one time, exhibitors may bring their own routing device and cables or may purchase a switch and purchase cables from the MCCA.
- Exhibitors are required to distribute their own internet cables.
- Exhibitors may choose to:
 - » Hire labor from the General Service Contractor or;
 - » Hire a third-party Installation & Dismantle (I&D) team to perform the distribution work.

Terms & Conditions

- The MCCA is the exclusive provider of internet services.
- All services listed include labor to install and remove said service. Services do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an exhibitor requires additional internet labor outside of the standard service, services will be billed at an hourly rate with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice:
 - » Tech Rep (All times) \$130.00
 - » Network Engineer (All times) \$155.00
- The MCCA will provide an Ethernet connection to a shared data network attachment for the use of Exhibitor's directors, officers, employees and guests during the official dates of specified show.
- Exhibitor will be responsible for providing all hardware, software and other equipment and facilities needed to connect to the Ethernet and to use network attachment.
- The network attachment provided by the MCCA may be used only by the Exhibitor's directors, officers, employees and guest, agents, or consultants. The MCCA network

will facilitate communications between the company's authorized users and entities reachable through the national internet.

- The Exhibitor will promote efficient use of provided networks to minimize and avoid unnecessary network traffic and interference with the work of other users on interconnected networks.
- Users of MCCA networks shall not disrupt any of the MCCA networks or any other MCCA associated networks.
- MCCA networks shall not be used to transmit any communication where the meaning of the message, or its transmission or distribution, would violate any applicable law or regulation or would be highly offensive to the recipient or recipients thereof. Mass distribution of any message, including advertising, may not be broadcast or otherwise sent on an intrusive basis to any user of the MCCA network or any directly or indirectly attached network. When requested by a user of the networks, product information and other commercial messages are permitted to be transmitted. Discussion of a product's relative advantages and disadvantages by users of the product and vendors' response to those who pose questions about their products may be made available over the MCCA networks. Interpretation application and possible modification shall be within the sole discretion of MCCA.
- MCCA does not make any express or implied warranty of any kind specifically. There is no express or implied warranty of merchantability or fitness for a particular purpose for the services to be provided. The protocol used on the MCCA network call for end to end verification of the accuracy of any message and such verification is the sole responsibility of the purchasing company. Similarly, these protocols provide for end to end verification of the receipt of all the data that is transmitted. MCCA will not be responsible for any loss of data from delays, non-deliveries, incorrect deliveries, service interruptions, including those caused by the negligence, errors or omissions of the MCCA, or other losses or damages. Use of information obtained via the services provided hereunder is at purchasing company's own risk. Exhibitor is responsible for (a) the accuracy and/or quality of the information obtained or data transmitted through the MCCA network and (b) assuring that each message purchasing company sends or receives has been received.

- MCCA shall not be liable to Exhibitor for any damage arising from any event that is out of the control of the MCCA. Neither shall the MCCA be liable to Exhibitor for indirect, special, incidental, exemplary, consequential or any other form of money damage, including, but not limited to, lost profits, or of the loss of data or information of any kind, however caused, and arising out of or in connection with the performance of MCCA, or the provision of services or performance hereunder, whether based in contract, tort, or any other legal theory, and whether or not MCCA has been made aware of the possibility of such damages.
- In no event shall liability exceed a refund of amounts actually paid to MCCA by Exhibitor for this network attachment.
- The network attachment shall be made available to Exhibitor by MCCA before the beginning through the end of the specified conference.
- The MCCA will provide a network attachment via an Ethernet connection at the Exhibitor's booth. At its own expense, the Exhibitor is responsible for providing the computer, attachment to Ethernet, electric power and all other hardware and software required to use the network attachment.

FREQUENTLY ASKED QUESTIONS

I ordered a Managed Service that required IP Addresses.

How and when do I receive this information?

When you are onsite and ready to configure your computers, please visit the Exhibitor Services desk to retrieve your IP Information.

Do you have wireless internet?

The MCCA offers free wireless internet service throughout meeting rooms, lobbies, and expo halls; just open your internet browser and look for the Hynes Wireless Network. This service is designed for casual users and not guaranteed. If you are relying on the internet to showcase your product or services we strongly recommend a wired internet connection for guaranteed service.

I see that you don't offer hubs for sale. What is the difference between a hub and a switch? Can I bring my own hub or switch?

The MCCA offers switch devices for sale instead of hubs because switches are known to provide better performance with a lower failure rate. Exhibitors are welcome to provide their own hub or switch for all internet services.

What is bandwidth and how do I know how much I need?

Bandwidth is the "size of the pipe" that data can traverse. The bigger the bandwidth, the faster data can be transferred. To find out how much bandwidth you require, please consult with a technical representative in your company or look for program specifications listed with any demonstrations or downloads you plan to run.

I need to access my company's network while I'm exhibiting at your facility. Which service will allow me to do this?

Exhibitors who need to connect remotely to their company's network using a VPN (Virtual Private Network) with authentication information like passwords, certificates, or "tokens" can do so with any of our services, however they should confirm with their IT department for the use of DHCP or public IP address requirements.

What is a VLAN?

A VLAN (Virtual Local Area Network) allows a network of computers to behave as if they are connected to the same service even though they may actually be physically located in different areas around the facility. One of the biggest advantages of a VLAN is that when a computer is physically moved to a different location, it can stay on the same VLAN without any hardware reconfiguration.

I ordered a switch and cables, how and when do I get them?

When you are ready for your switch and internet cables, please visit the Exhibitor Services Desk.

Rigging Services

The MCCA provides rigging and overhead lighting services through our service contractor, JCALPRO.

Planning Ahead for Rigging & Lighting Services

Diagrams and booth layouts are essential for planning rigging and lighting services. In order to ensure efficient delivery of required services, Exhibitors must submit rigging plots, drawing, blueprints, or engineers' certification with their orders. Diagrams must include the location, dimensions and weight, and the height from the floor to the top of the suspended item. Diagrams must also show booth outline with aisles or neighboring booths marked for reference and orientation.

PACKAGE RIGGING SOLUTIONS The MCCA offers package rigging solutions for exhibitors with basic and straight forward sign hanging needs. To qualify for the packages, exhibitors must be flexible with regards to days and times of load-in and take-down.	DISCOUNT	STANDARD	ON-SITE
Basic Rigging Package This package includes all lifts, labor, and rigging equipment (cables, pipes, and hardware) necessary to install and take down one sign/banner weighing less than 150lbs, measuring less than 20' in length, and less than 175 square feet. The package service is provided during standard service hours, Monday-Saturday 7am – 12am, except holidays. If service is required outside these times, then a Team Labor Hour must be ordered in addition to the package.	\$1,840.00	\$2,210.00	\$2,655.00
Electrical Rigging Package This package includes the Basic Rigging Package plus labor to connect electrical service to an Exhibitor sign/banner. Overhead electrical service for rotator, motor or lighted sign must be ordered separately. Please see Electrical services section for details.	\$2,130.00	\$2,560.00	\$3,070.00
Team Labor Hour Exhibitors may request rigging service on Sundays, holidays or outside the package service hours (Monday-Saturday 7am – 12am). In this case, a Team Labor Hour must be ordered for each rigging package ordered. In addition, when receiving a custom quote for rigging and lighting, team labor hours will be quoted for all labor hours required that are not covered by the Rigging Packages such as building of truss, focusing and attachment of lights, and lighting maintenance.	\$284.00	\$342.00	\$410.00

Custom Rigging & Lighting Solutions

The MCCA/JCALPRO also offers customized rigging and lighting solutions for Exhibitors with more complex or unique requirements. This option is best suited for Exhibitors with larger signs, multiple signs, and/or overhead lighting needs.

Custom Rigging and Lighting Solutions still require flexibility in load in and load out time. If you require a specific load in or load out day and/or time, hourly rates may apply (see Terms and Conditions – Page 15).

Custom Rigging & Lighting solutions may only be ordered with a pre-arranged quote.

Please contact JCALPRO at 1.617.954.2345 to initiate this process. Quotes will be issued in an easy-to-order format, and will typically include a base Rigging Package for labor charges and some combination of the following items as necessary.

** For Custom Rigging please contact JCALPRO at 617.954.2345, as these services are not available for online ordering.*

CUSTOM RIGGING SOLUTIONS	DISCOUNT	STANDARD	ON-SITE
Truss A truss is an aluminum structure used to create a lower “ceiling” to hang lighting or other suspended items. It is available in 5’, 8’, or 10’ sections which can be attached to create desired lengths or height.			
Truss 5’ Section – Silver 12”x12” Box	\$31.00	\$37.00	\$43.00
Truss 8’ Section – Silver 12”x12” Box	\$48.00	\$57.00	\$68.00
Truss 10’ Section – Silver 12”x12” Box	\$59.00	\$70.00	\$87.00
Truss 5’ Section – Black 12”x12” Box	\$42.00	\$50.00	\$59.00

Truss 10’ Section – Silver 20.5”x20.5” Box	\$107.00	\$128.00	\$154.00
Corner Block A corner block is an aluminum piece that attaches to truss to create a right angle.			
Corner Block – Silver 12”x12” Box	\$59.00	\$70.00	\$87.00
Corner Block – Black 12”x12” Box	\$77.00	\$93.00	\$111.00
Corner Block – Silver 20.5”x20.5” Box	\$84.00	\$100.00	\$119.00
Base Plate A base plate is used as a stand for ground supported truss or poles.	\$42.00	\$50.00	\$59.00
Rotator A rotator is a motor used to rotate a hanging sign.	\$177.00	\$214.00	\$257.00
Motor A motor is a motorized pulley that is rigged to the ceiling and attached to truss to achieve a desired height. Motors are also used to safely suspend heavier items that cannot be supported by cables alone. Motors are available in ¼ ton, ½ ton, and 1 ton capacities.	\$177.00	\$214.00	\$257.00

Cheeseboro - Silver A cheeseboro is a clamp used to attach two pieces of truss or pipe together.	\$7.00	\$8.00	\$10.00
Cheeseboro - Black A cheeseboro is a clamp used to attach two pieces of truss or pipe together.	\$9.00	\$12.00	\$15.00
Grapple A grapple is a connector that allows you to make a 90 degree connection between trusses.	\$13.00	\$16.00	\$19.00

LIGHTING FIXTURES A variety of lighting options are available to brighten exhibit space. While lights cannot be attached directly to our ceiling, lighting can be suspended above exhibit space by utilizing truss and motors.	DISCOUNT	STANDARD	ON-SITE
Source 4 Par (575 watt, 750 watt) This fixture is best used to create a wash effect or cover a larger area with light. It is available in 575 watt or 750 watt. Lenses are available in Very Narrow (VNSP), Narrow (NSP), Medium (MFL), Wide (WFL).	\$41.00	\$49.00	\$58.00
Source 4 Leko (575, 750 watt) This fixture is best used to create a spot light or to highlight specific spaces or objects. It is available in 575 watt or 750 watt. Lenses come in 19, 26, 36, 50 degrees to achieve the desired illumination from the light.	\$52.00	\$62.00	\$75.00
Par 64 (1000 watt) The Par 64 will deliver similar results as the S4Par, but there are no options for additional lenses. They are available in 1000 watts.	\$36.00	\$42.00	\$50.00

CUSTOM LIGHTING SOLUTIONS Lighting kits include a combination of Lekos, Source 4 Pars and Par 64s based on layout and design requirements. Price includes fixtures, fixture accessories and all necessary cables. Dimmer/control and labor are not included and must be ordered separately. Special Orders for larger kits are available upon request.	DISCOUNT	STANDARD	ON-SITE
Small Lighting Kit (4-6 lights)	\$220.00	\$265.00	\$315.00
Medium Lighting Kit (7-11 lights)	\$385.00	\$465.00	\$555.00
Large Lighting Kit (12-15 lights)	\$535.00	\$640.00	\$770.00
X-Large Lighting Kit (16-20 lights)	\$655.00	\$785.00	\$940.00

DIMMER RACKS & LIGHTING CONTROLS These items are optional with individual fixtures or small lighting kits, but mandatory with larger lighting kits. The dimmer rack is a large “outlet” that all lights plug into to create a central control location. A dimmer rack, depending upon size, can be placed in a booth or attached to the truss and kept in the air. The lighting console/control plugs into the dimmer rack to dim or control individual lights, groups of lights, or all lights at once. Electrical service is not included and must be ordered separately.	DISCOUNT	STANDARD	ON-SITE
Dimmer Control 1.2 x 4	\$95.00	\$115.00	\$140.00
Dimmer Control 2.4 x 12	\$175.00	\$215.00	\$255.00
Dimmer Control 2.4 x 24	\$380.00	\$455.00	\$550.00

Terms & Conditions

- JCALPRO is the exclusive rigging vendor at the Hynes Convention Center if a sign requires a motor, electrical rigging, and/or truss, otherwise, the exhibitor may hire the general service contractor to hang signage.
- If an Exhibitor requires specific load-in/load-out dates and/or times, then a base rigging package may not be applicable. In this case, a special quote for required crew and lift equipment will be prepared using the following hourly labor and weekly lift rental rates:

HOURLY LABOR ITEMS	MON-SAT 7AM-12AM (EXCEPT HOLIDAYS)	SUNDAYS 7AM-5PM AND HOLIDAYS	SUNDAYS AFTER 5PM ALL DAYS 12AM-7AM
Crew Chief	\$104.00	\$156.00	\$208.00
Head Rigger	\$104.00	\$156.00	\$208.00
Rigger	\$93.00	\$139.00	\$185.00
Dept Head	\$79.00	\$119.00	\$158.00
Stagehand	\$74.00	\$111.00	\$148.00

WEEKLY LIFT RENTAL ITEMS	RATE
24'- 32' Scissor Lift	\$780.00
40'- 45' Boom Lift	\$988.00
60' Boom Lift	\$1,665.00

- All rigging must conform to the rules, regulations, and facility limitations of the MCCA and any show management regulations.
- All equipment, signs, products, etc. must be designed to suspend safely. Care must be taken to use only rated rigging hardware when designing, constructing or purchasing such items. Any equipment, signs, products etc. deemed to be unsafe for overhead suspension by MCCA/JCALPRO will be substituted or denied.
- The use of any type of tape/adhesive for attaching signs, banners, or decorations to the building walls or decorative surfaces is not permitted.
- All assembly of equipment, signs, products necessary prior to hanging, etc., will be the responsibility of the Exhibitor.
- Failure by Exhibitor to submit accurate diagrams prior to load-in will delay set-up and could incur additional cost.

FREQUENTLY ASKED QUESTIONS

How do I know if I qualify for the Basic Rigging Package Rate?

Find out the dimensions and weight of your sign. If your sign weighs less than 150 pounds and is less than 20' in length and less than 175 square feet and does not require electrical rigging, truss, or motors, you will qualify for the Basic Rigging Package. If your sign is motorized or needs electrical rigging (for example a rotating sign or a sign with lights), you qualify for the Electrical Rigging Package.

Can I order lighting to be suspended from the ceiling?

If you would like to order lights to brighten up your booth or illuminate specific objects, you will need to get a **quote** from JCALPRO. In most cases, lights cannot be attached to our ceilings. Instead we can provide you with truss, using motors, to create a lower "ceiling" and then hang lights from that truss. We will require a diagram showing your booth layout and exactly what you want illuminated in order to put together a quote.

Do I ship my sign to you to put it together?

No. Although JCALPRO provides labor to hang the sign, the General Service Contractor (GSC) handles all shipments. You may build your sign or hire the GSC to put it together for you. When the sign has arrived at the building and has been assembled, we will hang it for you. Be sure to keep this in mind when making your time and day requests for sign hanging.

Can I request load in and load out times?

Yes, the Rigging Order Form has a space for you to indicate your preferred up and down times. Please note that your preferred timing is not guaranteed; however, we do try our best to cater to your requests. If you absolutely need a specific install or take down time, additional charges will apply. If you do not provide a diagram or layout prior to load-in, then you may experience set-up delays and additional cost.

What type of diagrams should I send?

The most useful diagrams are on a proportioned grid to show the dimensions of the booth, the exact desired placement of hanging items, and orientation of the booths around yours. As a general rule, pictures from previous shows and pictures of the sign only are not as helpful as current diagrams of the entire booth space with the placement, height, and weight of the sign(s) or hanging item(s).

Plumbing Services

The MCCA offers a variety of plumbing services through our experienced in-house team of plumbers.

WATER AND DRAIN SERVICES	DISCOUNT	STANDARD	ON-SITE
Water – Individual Connection Water service is available at approximately 75 PSI with up to ¾” supply line. Water flows at five gallons per minute. Please note that this is cold water.	\$350.00	\$450.00	\$540.00
Additional Water Connections Clients requiring more than an individual water connection should order each additional connection as needed.	\$210.00	\$260.00	\$310.00
Drain – Individual Connection The MCCA can provide waste drain connections up to ¾” line size.	\$350.00	\$450.00	\$540.00
Additional Drain Connections Clients requiring more than an individual drain connection should order each additional connection as needed.	\$195.00	\$240.00	\$285.00
Fill and Drain 0-100 Gallons Clients that need equipment to be filled with water at the beginning of a show and emptied at the end of a show should order a Fill and Drain service. Please contact your MCCA Event Services Manager when equipment is ready to be filled.	\$185.00	\$225.00	\$270.00
Each Additional 500 Gallons	\$115.00	\$160.00	\$190.00

SINK RENTALS	DISCOUNT	STANDARD	ON-SITE
Cold Water Sink Rental Cold water sink rental includes a single-tub basin (20”L x 24”W x 34”H), one water connection, and one drain connection. Legs allow the units to sit 34” above the floor.	\$705.00	\$870.00	\$1,045.00
Small Hot & Cold Water Sink Rental Small Hot & Cold water sink rental includes a single-tub basin (20”L x 24”W x 34”H), a hot water heater (6 gallon capacity), dedicated power, two water connections, and one drain connection.	\$960.00	\$1,190.00	\$1,430.00
Large Hot & Cold Water Sink Rental Large Hot & Cold water sink rental includes a 3-tub basin (57”L x 24.5”W x 43”H), a hot water heater (6 gallon capacity), dedicated power, two water connections, and one drain connection. This service is available in specific areas of the exhibition hall. Please contact your MCCA Event Services Manager for more information.	\$1,190.00	\$1,495.00	\$1,795.00

COMPRESSED AIR AND GASSES	DISCOUNT	STANDARD	ON-SITE
Compressed Air – Individual Connection Compressed Air is delivered at approximately 110 psi and a dew point of 35 degrees F (medical instrument quality).	\$440.00	\$540.00	\$650.00
Additional Connection Clients who require more than an individual connection should order additional connections as needed.	\$225.00	\$280.00	\$335.00
Other Compressed Gases The MCCA provides a variety of bottled gases. The most commonly ordered gases are listed below. If other gases not listed are required, the client should contact their MCCA Event Services Manager. Flammable gases are not permitted in MCCA facilities.			
20 Lbs Dry or Liquid CO ₂	\$185.00	\$220.00	\$265.00
50 Lbs Dry or Liquid CO ₂	\$205.00	\$240.00	\$285.00
Dry Nitrogen 300 ft ³	\$245.00	\$295.00	\$355.00

INSTALLATION & CONNECTIONS

- Plumbing Service is brought from the nearest column or floor port into the booth.
- Air and Water connections are available in limited locations on the exhibit floor. Connection sizes and booth locations all factor into planning to supply air and water to exhibitors. Please provide a floor plan of the exhibit space indicating locations that require air or water service as well as connection requirements well in advance of exhibitor move-in.

Terms & Conditions

- The MCCA is the exclusive provider of all plumbing services. All plumbing equipment shall remain the property of the MCCA and may not be installed or removed by anyone other than MCCA Personnel.
- Exhibitors are not permitted to fill or drain their own equipment, use individual air compressors, or bring their own compressed gases from an outside vendor.
- All services listed include labor to install and remove said service. Rates do not include connecting of equipment, tracing of malfunctions, special wiring, or repairs. If an

exhibitor requires additional plumbing labor outside of the standard service, services will be billed at an hourly rate with a minimum of one hour. Labor rates are based on current wage and benefit rates and are subject to change without notice:

» Hourly Rate (All times) \$95.00

FREQUENTLY ASKED QUESTIONS

Do all water connections need a drain?

While most water connections do require a drain service, there are some cases where the drain is unnecessary. When the water provided is being consumed or evaporated, a drain is not needed. For example, exhibitors using water service for a coffee machine do not need to order a drain because the water is being consumed.

Will you provide the fittings and hoses for my water and drain connections?

To ensure that your booth's equipment runs properly we ask that you supply your own regulators, filters, and hoses.

When would I need to order a Fill and Drain Service?

Some of the most common reasons exhibitors order fill and drain are for items like fish tanks, pools, tubs for display, or running water displays. We use large hoses to fill vessels requiring water and then use existing drains in the floor to remove the water at the end of the show. Exhibitors are not permitted to bring their own water or use MCCA sinks to fill their own equipment.

My booth requires a sprinkler system. What plumbing service should I order?

If your booth requires a sprinkler system, you will need to order an individual water connection specifically for this purpose.

My exhibitor kit says I need to order a hand washing unit because I am planning to prepare food in my booth. Do you provide these units?

Levy Restaurants, our exclusive in-house catering company, can provide a hand washing unit that includes a small hand washing sink, paper towels, soap, and a discard bucket. Please consult your exhibitor kit for Levy Restaurants information or contact them directly at the Hynes (617.954.2284).

Do you allow Exhibitors to bring Helium balloons into your buildings?

No, unfortunately we do not allow exhibitors to bring helium balloons into the buildings.

Security Services

The MCCA is the “preferred” provider of security booth coverage for exhibitors. If your event designates another security vendor for booth coverage, you may choose to order through the event’s preferred provider as detailed in your exhibitor kit.

SECURITY GUARD (BOOTH)	DISCOUNT	STANDARD	ON-SITE
Per Hour Per Officer The MCCA offers uniformed public safety officers to cover shows and events. Officers are scheduled at a 4-hour minimum and are available from move-in to move-out, around the clock. Orders need to be placed 21 days in advance of the show/event opening in order to guarantee your requested coverage. Any orders received after the 21 day cut-off are subject to approval and are not guaranteed.	\$33.00	\$39.00	\$47.00
Per Hour Per Supervisor	\$44.00	\$53.00	\$64.00

FREQUENTLY ASKED QUESTIONS

When do you recommend ordering security for an exhibitor booth?

Our public safety department strongly suggests ordering security for booths planning to have VIP celebrity appearances, book signings etc., to monitor crowd control and escort as needed. Also, exhibitors with expensive or rare equipment in their booths may consider security for the overnight hours between show end and the next day’s show start.

Is there general overnight security in the exhibit hall?

The MCCA provides 24 hour security coverage for the facility; however, security coverage for the exhibit hall is determined by the show organizer and may vary from event to event.

Exhibitor Guidelines, Information and Regulations

EXHIBITOR PARTICIPATION REGULATIONS

ACCESS CONTROL AND CREDENTIALING

Exhibitors accessing the Hynes – including exhibitors traveling to the Hynes, unloading exhibitor-related cargo, and parking at the Hynes – must be credentialed by the Hynes Public Safety Department before entering the facility. Issued Exhibitor Credentials must be worn on the outermost garment (or on the right wrist if an ID band is issued) of the exhibitor (employees and contractors) at all times while inside the facility.

Exhibitors should check in with the General Service Contractor (GSC) before entering the facility. Upon request and as a requirement to be issued a MCCA ID, all employees and contractors working within an MCCA facility must identify themselves with a current and valid, government-issued photo identification (preferably a valid state-issued motor vehicle operator's license). Once positively identified by MCCA Public Safety, the exhibitor will be referred to the Licensee in order to register and receive event credentials.

ESCA identification badges are required for all General Service Contractors (GSC). Temporary MCCA credentials will not be issued to GSC employees and they will be turned away.

Lost/missing credentials must be reported to, and recorded by, MCCA Public Safety. The MCCA, in its sole discretion, reserves the right to revoke credentials for violations of law, facility policies and procedures, and/or injuries against persons or property, and/or when the revocation of those credentials is in the best interests of the MCCA.

AFFIXING TO THE FACILITY STRUCTURE

The MCCA does not allow exhibitors to:

- Rig cable/hanging devices or affix any materials to the ceiling, electrical bus ducts and conduits, sprinkler pipes, ventilation equipment, windows, columns or any other physical structure at the Hynes
- Cause or permit any nails, staples, hooks, tacks, screws, or the like to be driven into the facility structure (including, but not limited to, any wall, ceiling, column, stone, window, drape, painted, carpeted or concrete surfaces of the premises)
- Erect any decorations or use adhesive materials, including tape that can deface the walls, ceilings, floors, facilities and equipment contained on the premises
- Paint or permanently cover walls, floors, ceilings, or other areas of the facility or its furnishings or fixtures

BOOTH SET-UP AND DISMANTLE

The unpacking, assembling, dismantling and packing of displays and equipment may be done by full-time employees of an exhibiting company. Exhibitors are allowed to set-up and/or dismantle their own booths, provided that they use their own bona fide, full-time employees. It is acceptable for exhibitors to safely use power tools to set-up and/or dismantle their own booths.

No one under the age of 18 is permitted on the loading docks, in truck bays or in the loading dock yard. Additionally, no one under the age of 18 is permitted in the exhibit halls during move-in or move-out operations. The Licensee will determine age restrictions, if any, for hours when the exhibit hall is open for attendees

BOOTH STAGING

1. In addition to equipment and furniture placed within a booth space, subject to show management limitations, exhibitors are allowed to stage the following items:

- a. Boxed or loose product, materials or literature
 - b. Fiber cases used to ship pop-up displays
 - c. Personal items such as luggage, purses, briefcases or coats
2. The following restrictions must be observed when staging these additional items:
- a. The amount of product, materials or literature that may be staged within a booth space must not exceed a one day supply.
 - b. Items may be placed either in a display case, on a counter, on a shelving unit, in a closet, on a table, under a table or stacked neatly within the booth space.
 - c. Items that are stacked must not create a tripping hazard or hamper easy movement within the booth space.
 - d. Items may not be placed on or within six inches of floor ports, electrical wiring or cabling.
 - e. Pallets, empty crates, cartons and boxes may not be stored in the booth space.
 - f. Staging will not be allowed behind the back wall of the booth and behind the drape within the booth or exhibit area.

CABLING

No cables (telephone, Internet, electrical, audio, video, etc.) should be run in front of any doorways at any time. If cables must cross a doorway, cables must be flown — cable trays are not an acceptable substitute.

CAUTION TAPE

Use of 'Caution Tape' is prohibited. Yellow or red plastic tape with black stripes, or printed with 'Caution,' 'Do Not Enter' or other warning messages may only be placed by the MCCA to warn individuals of a hazardous condition. The MCCA prohibits the use of yellow or red plastic tape to restrict access to an event or exhibit display. Rope and stanchion may be available from the General Service Contractor.

COOKING DEMONSTRATIONS

If cooking or heating appliances will be used, the MCCA prefers they are powered by electricity, use UL listed/approved equipment and be adequately ventilated.

An exhibitor may use butane for cooking purposes with prior approval of the MCCA Public Safety Department.

Quantity inside the facility is limited to: two (2) 1-pound UL listed/approved non-refillable canisters per cooking device; one canister attached to the cooking device; and one spare canister. To prevent excessive amounts of butane within the facility, exhibitors may only use butane canisters purchased directly through the MCCA's exclusive food provider, Levy Restaurants.

Single-well cooking equipment (deep fryer type device) using combustible oils and solids shall:

1. Have lids available for immediate use
2. Be limited to 288 sq. in. (.19 sq. m) of cooking surface
3. Be placed in noncombustible surface materials
4. Be separated from each other by a minimum horizontal distance of 2 ft. (61 cm); multiple single-well cooking units may be placed together if the aggregate cooking surface does not exceed 288 sq. in. (.19 sq. m)
5. Be kept a minimum horizontal distance of 2 ft. (61 cm) from any combustible material

Exhibitor must provide a UL listed/approved fire extinguisher no less than 30 feet (9.15 meters) from the cooking device.

Exhibitor shall provide a 6 liter, Class K fire extinguisher for hazards where there is a potential for fires involving combustible cooking media (vegetable oils, animal oils or fats in cooking appliances) for each device.

Fire extinguishers must be mounted in a visible location and accessible at all times. All extinguishers shall be currently inspected and tagged by a licensed fire extinguisher company.

Open flames, cooking or other sources of heat are prohibited under any tent, canopy or tarp.

EXCLUSIVE SERVICES

The MCCA will be the exclusive provider of the following services: food & beverage, electrical, business center, telephone, Internet, rigging, the operation of ground-supported crank-ups, the operation and provision of lifts for theatrical purposes, plumbing, the use of the house sound system, and the supply of compressed airs and gases.

The MCCA is the preferred provider of security booth coverage for exhibitors. If your event designates another security vendor for booth coverage, you may choose to order through the event's preferred provider as detailed in your exhibitor kit.

EXHIBITOR PRODUCT

Exhibitors are prohibited from offering or selling any product(s) to any employee, agent, contractor or subcontractor working at the MCCA.

At the conclusion of the event, all products must be either:

- Removed from MCCA facilities by the exhibitor;
- Properly disposed of;
- Donated to a previously identified nonprofit organization; or
- Sold to an established business, with sales receipts supplied and produced on demand.

Any MCCA employee, agent, contractor or subcontractor working in MCCA facilities who is determined to be removing and/or accepting event-related product(s) is subject to immediate termination of employment or prohibition from working at all MCCA facilities.

All persons, vehicles, bags, containers, etc. are subject to search.

FIRE SAFETY REGULATIONS

Exhibits and decorative materials must meet the requirements of the Code of Massachusetts Regulations – 780 CMR EIGHT EDITION (Building Code). The Massachusetts Department of Public Safety (DPS) has jurisdiction over all safety matters of the MCCA. The DPS, in conjunction with the City of Boston Fire Department (BFD), provide guidance to the MCCA for a safe venue for all guests and employees at our facilities.

Prior to the show opening or at any time during the event, the MCCA Public Safety Department or other agency may inspect booths and other assembly areas to ensure these requirements are met. If they are not, adjustments can be costly – if a display is determined to be a hazard it may be ordered removed from the facility at the exhibitor's expense.

These requirements shall apply whether the event is open or closed to the public. The below topics are the minimum fire safety requirements for all events and are designed to provide an overview; the MCCA Public Safety Department reserves the right to make any final decision for life safety issues. Our sole effort is to ensure the success of your event and safeguard the safety and experience of all our visitors.

FIRE SAFETY LIMITATIONS

The following limitations apply to all exhibits located in the exhibition halls in the Hynes:

1. The following items are fire hazards and are prohibited for use in the Hynes:
 - a. Compressed flammable gases. Exception: Butane for cooking purposes with prior approval of the MCCA Public Safety Department (see Cooking Demonstrations)
 - b. Pyrotechnics, flammable/combustible liquids, hazardous chemicals/materials, blasting agents and explosives
 - c. Cut Christmas trees, cut evergreens or similar trees
 - d. Fireplace logs, charcoal and similar materials
 - e. Untreated mulch and Spanish moss or similar vegetation
 - f. Untreated hay or straw
2. Any interior finish, either permanent or temporary, will be required to meet the requirements of the Code of Massachusetts Regulations – 780 CMR EIGHT EDITION (Building Code).
3. The following rules apply regarding flame-retardant treatments:
 - a. All curtains, drapes, banners, decorations and acoustical material (including but not limited to cotton, hay, paper, straw, moss, split bamboo and wood chips) must be flame-retardant treated to the satisfaction of the Massachusetts Department of Public Safety. Material that cannot be treated for flame retardancy shall not be used. The GSC or individual exhibitor must have on-site a copy of the Certificate of Flame Resistance for all floor covering, curtains and rigged signage. The use of carpet on walls, ceilings, seating products or as decorative material is prohibited.
 - b. Combustible materials, an inch or more in thickness, glass or asbestos cloth may be used without flame-retardant treatment.
 - c. The use of oilcloth, tarpaper, sisal paper, nylon, Orlon®, and certain other plastic materials that are not flame-retardant is prohibited.
4. Open flame devices may be permitted when they are

a necessary part of the exhibit, with prior approval of the MCCA Public Safety Department. Devices must be isolated from attendees by either four (4) feet or a barrier; be placed on a non-combustible surface; be separated from other devices by five (5) horizontal feet; and have a 10 lb. ABC fire extinguisher present within the exhibit. Fire extinguishers must be mounted in a visible location and be accessible at all times. All extinguishers shall be currently inspected and tagged by a licensed fire extinguisher company.

5. The hanging or rigging of signs, displays or banners, etc. shall not interfere with the building fire sprinkler system.
6. Exhibitors are prohibited from covering displays with drop cloths, sheets, table cloths or other non-flame resistant material.
7. Storage of combustible materials in meeting rooms, ballrooms or service corridors is prohibited.
8. Exhibitors shall move, remove or arrange with the General Service Contractor to remove wooden pallets, shipping crates, cardboard boxes and other packing materials from the exhibit hall area as soon as possible. These items are not permitted in the exhibit halls during events. See Booth Staging.

EXHIBIT HALL LIFE SAFETY EQUIPMENT

Fire extinguishers and fire hoses are located on the perimeter wall of the exhibit halls and main floor of the auditorium. General Service Contractors (GSC) and exhibitors are required to maintain a minimum unobstructed path of no less than 48 inches (122 cm), 24 inches (61 cm) on center for fire extinguishers.

Fire extinguishers shall not be removed or temporarily relocated by any exhibitor, the Licensee or the GSC. The GSC is responsible for ensuring that egress paths, emergency exits, fire extinguishers, fire pull stations, fire department value boxes, fire alarm flashers and AEDs are not obstructed or obscured from view at any time in the facility. Anyone found responsible for moving, removing or blocking fire safety equipment is subject to a fine.

FLAME-RETARDANT TREATED MATERIALS

The following rules apply regarding flame-retardant treatments:

1. All decorations, drapes, signs, banners, acoustical materials, hay, straw, moss, split bamboo, plastic cloth, and similar decorative materials shall be flame-retardant to the satisfaction of the Boston Fire Department and State Fire Marshal.
2. Combustible materials, inch or more in thickness, glass or asbestos cloth may be used without flame-retardant treatment.
3. The use of oilcloth, tarpaper, sisal paper, nylon, Orlon®, and certain other plastic materials that are not flame-retardant, is prohibited.
4. Table coverings used in exhibit halls must be flame-retardant treated, unless they lie flat, and have an overhang of no more than six (6) inches.
5. All materials must be certified by the Boston Fire Department within six (6) months of the event. The Boston Fire Department does not accept certificates from other jurisdictions. Materials may be sent directly to the Boston Fire Department for testing.
6. The City of Boston Fire Code prohibits the use of:
 - Fabric attached to a ceiling or used to cover any portion of an exhibit
 - Carpet on ceilings, walls, seating products, or as decorative material

LASERS

The use of lasers for exhibit demonstrations or visual effects for entertainment must be approved by the Licensee and the MCCA Public Safety Department. All lasers must comply with Code of Massachusetts Regulations 105 CMR 120.000, and be registered and approved by the Massachusetts Department of Public Health. Regulations and applications are available from the Massachusetts Department of Public Health.

FOOD & BEVERAGE SAMPLES

The MCCA prohibits any food or beverages from being brought into the building, except by Levy Restaurants, the exclusive food & beverage service provider. The distribution of food and beverages, regardless of type and/or quantity, is the sole responsibility of Levy Restaurants.

Levy Restaurants is the official caterer for all food and beverage services within the Hynes. All arrangements for the service of food and/or beverages must be made through the catering office. Food and beverage sampling in conjunction

with specific exhibits may be permitted, but only to the extent approved in writing, in advance, by a Levy Restaurants Catering Sales Manager.

In order to obtain authorization from your Catering Sales Manager to distribute food and beverage items, one of the following conditions must exist:

- (1) The party interested in distributing food and/or beverage must be the manufacturer of said product. The interested party must only distribute sample sizes (2 ounces of pre-packaged food items or 4 ounces of non-alcoholic beverages) of his/her product, and cannot participate in cash sales of said product during the show.

-OR-

- (2) The party interested in distributing food and/or beverage items must pay a fee, which is based on a percentage of retail pricing for the item and is subject to all applicable administrative fees and taxes, in order to waive its right to exclusivity under the MCCA/Hynes License Agreement.

If a party brings unauthorized food and/or beverage items into the Hynes and does not subsequently meet one of the conditions listed above, the party must immediately remove the unauthorized item(s) from their exhibit or meeting space.

Temporary Food Service Permit Application

The City of Boston Inspectional Services Division requires a temporary food service permit for any food & beverage served at the Hynes that is not sourced through Levy Restaurants. Permit fees begin at \$30.00 for a one-day permit, with \$5.00 for each additional day of sampling (example: a 3-day permit costs \$40.00).

GLITTER, CONFETTI, POPCORN AND OTHER MATERIALS

The use of glitter, confetti, sand, or simulated snow types of material is not permitted in the Hynes. Additionally, adhesive-backed decals may not be given away or utilized.

Popcorn is not permitted without prior written approval from the MCCA. Additional cleaning charges may apply.

GRATUITIES POLICY

It is against the MCCA's policy for any employee or service contractor to accept gratuities or gifts from the Licensee and/or any exhibitors. Offering of tips and gratuities to personnel employed by the MCCA, or its contractors, agents or suppliers, is not necessary and strictly prohibited. If you are

approached or solicited by any MCCA or service contractor personnel for gratuities, please report this violation to the Chief of Public Safety at 617.954.2111.

GUARDRAILS AND STAIRS

Any platforms exceeding 30" in height will require a Massachusetts-State-building-code-compliant guardrail system. The guardrail shall be 42" in height, with balusters or solid material such that a sphere with a four-inch (4") diameter cannot pass through any opening.

The guardrails shall not have an ornamental pattern that would provide a ladder effect. This includes a guardrail on stairs.

The guardrail system shall be capable of withstanding a load of 200 pounds (minimum).

Stair construction shall meet Massachusetts State building code for riser height of 7" maximum and a tread depth of 11" minimum. These stairs shall have a handrail that shall be continuous, without interruption by newel posts, other structure elements or obstructions. Handrails shall not be less than 34" or more than 38". The handrail ends shall be returned to a wall or post. All stairway handrails shall have a circular cross section with an outside diameter of at least 1-1/4" and not greater than 2".

Stair width shall be a minimum of 36". Many multi-level displays are designed without risers, which is not permitted by the Massachusetts State building code as the stairway is part of a means of egress. The easiest way to address this issue with minimal cost is to secure a fitted piece of fire-rated plywood or sheet rock between the stringers against the back of the treads.

HAND-CARRY POLICY

The MCCA reserves the right to restrict all freight and package deliveries to the loading dock. MCCA Public Safety personnel will be on site to direct and assist exhibitors during move-in and move-out.

For the convenience and safety of exhibitors and patrons, all freight and material handling must enter and exit the facility through the loading dock. The Licensee and its exhibitors will be allowed to hand carry one item, one time, in or out of the facility without having to access the loading dock. (Hand-carried freight is defined as one item that can be easily carried by an individual, without the need for dollies or other mechanized equipment.)

MATERIAL HANDLING

Exhibitors are allowed to perform their own material handling, providing all of the following criteria are met:

- Exhibit personnel performing the work must be bona fide, full-time employees ("authorized personnel") of said company.
- Exhibitors may choose to off-load from a company-owned truck or rental vehicle, or from a car, van or truck owned by personnel of the company provided the vehicle is co-owned or rental vehicles must be less than 24 feet in length.
- Exhibitors may use only hand-operated equipment, which they have provided; two-wheeled hand trucks and four-wheeled flat trucks are permitted as well.
- At no time can vendors (A/V, furniture design firm, etc.) unload their items. An approved General Service Contractor (GSC) or the Exclusive Rigging Service Provider (ERSP) must be hired by the Licensee to unload/re-load and push in all vendors..

No parking is allowed at the Boylston Street entrance of the facility, and the use of passenger elevators for movement of freight is not allowed. All packages are subject to inspection by facility personnel.

LIGHTS

Only Underwriters Laboratories (UL) approved, clamp-on types of portable spotlights are allowed. All display lights must be turned off when the exhibitor leaves for the day. Only UL approved extension cords 12 gauge or greater, rated for 20 amp, are allowed. Note: Household extension cords are not permitted. These are generally 14 or 16 gauge and only rated at 15 amp.

MEANS OF EGRESS

The travel distance within an exhibit booth or exhibit enclosure (including temporary office/meeting spaces) to an exit access aisle shall not exceed 50 feet (15 meters). There should be a minimum of two (2) separate exits from any point in the hall or room where the occupant load is less than 500 persons. Where occupant loads are between 500 and 999 persons, there shall be a minimum of three (3) separate exit

doors. Where occupant loads are 1,000 persons or greater, there shall be a minimum of four (4) separate exit doors.

Exits must be so located and exit access arranged so that exits are readily accessible at all times. Where more than one exit is required, exits must be remotely located from each other and arranged and constructed to minimize any possibility that more than one may be blocked by a fire or other emergency condition.

Where exits are not immediately accessible from an open floor area, safe and continuous unobstructed passageways, aisles or corridors leading directly to every exit must be maintained and arranged, to provide access for each occupant to at least two exits by separate ways of travel. At no time should an exit door or exit access door be locked, blocked or obstructed in a manner that will confuse or slow the movement of any people within the area. This requirement will also be in effect during the "move in" and "move out" of events.

During certain events, the total occupancy of larger meeting rooms and the ballrooms meeting room(s) being used may not require all the exit capacity provided for that area. In these cases, a special review will be done on the request to close some of the exit doors. An explanation, along with detailed drawings showing these doors, must be submitted for approval. If approved, the doors and exit signs must be covered to prevent any confusion to the occupants.

MOVE-IN PROCEDURES

All exhibitor move-in is restricted to the Hynes loading areas. No exhibitor will be allowed access with his or her move-in materials via any other entrance to the facility. Please note the hand carry rule within the Exhibitor Participation Rules/ General Conditions Section of the Event Guide.

MULTI-LEVEL BOOTHS AND CEILINGS/CANOPIES**Guidelines for Covered Exhibits With Less Than Three Hundred (300) Covered Square Feet**

All materials used in the construction of covered exhibits and all decorative materials within the exhibit must be non-combustible or limited combustible (flame-retardant) materials. Certification of flame retardant treatment, along with samples of said materials, must be submitted, if requested by the MCCA Public Safety Department or the Massachusetts Department of Public Safety. It is strongly recommended that certifications of flame retardant treatments be available at show site to avoid on-site testing of materials.

Fabric must pass the NFPA-701 Code for flame spread and smoke development – Class A, Flame Spread less than or equal to 25, Smoke Developed less than or equal to 450. Canopies and tarps must be fire resistant and meet CPAI 84 (Canvas Products Association International) specifications. The original flame retardant compliance tag must be attached to tent, canopy or tarp.

The use of tents inside the Convention Center requires a special permit from the Massachusetts Department of Public Safety. Please contact the MCCA Public Safety Department at 617-954-2222 for assistance.

Exhibitor must install a single station and battery operated smoke detector on the interior of each covered exhibit or structure, including enclosed storage closets, regardless of the square footage. The detector must sound an audible alarm and be installed per the manufacturer's instructions.

Exhibitor must provide at least one (1) 10 lb. ABC, dry chemical fire extinguisher. Fire extinguishers must be mounted in a visible location and accessible at all times. All extinguishers shall be currently inspected and tagged by a licensed fire extinguisher company.

A single exhibit or group of exhibits with ceilings that do not require sprinklers shall be separated by a distance of not less than 10 feet (3050 mm) where the aggregate ceiling exceeds 300 square feet (28 square meters).

Open flame, cooking or other sources of heat are prohibited under any tent, canopy or tarp.

MULTI-LEVEL BOOTHS AND CEILINGS/CANOPIES**Guidelines for Multi-level Exhibits (regardless of the size) and Covered Exhibits With Larger Than Three Hundred (300) Covered Square Feet**

Requests for construction of multi-level exhibits (regardless of the size) must be authorized by show management before being reviewed by the MCCA Engineering and Maintenance Division and the MCCA Public Safety Department. To ensure the success of your exhibit, please read and comply with the following guidelines:

1. Plans should be submitted a minimum of 90 days before the move-in date of the event and must adhere to the following:
 - a. They must be scaled, signed and dated by a registered architect or professional engineer.
 - b. They must include the show name and dates.
 - c. They must include exhibitor's name and assigned booth number.
 - d. They must include directional information (i.e. indicate neighboring aisles and/or booth numbers).
 - e. They must indicate maximum exhibit height, within the booth. Height guidelines are established, per event, by show management.
 - f. They must include connection details for the elevated floor and stairs, and permitted loading for furnishings, storage units, work surfaces or occupants who will be permitted access to the upper level.
 - g. They must include a floor loading schedule that identifies the maximum safe floor loading, fixture loads (dead loads) and occupant loading (live loads), establishing what shall be the effective limits.
2. All materials used in the construction of multi-level and/or covered exhibits and all decorative materials within the exhibit must be non-combustible or limited combustible (flame-retardant) materials. If requested, certification of flame-retardant treatment, along with samples of said materials, must be submitted to the Massachusetts Department of Public Safety for testing. It is recommended that certifications of flame retardant treatments be available at show site.

MULTI-LEVEL BOOTHS AND CEILINGS/CANOPIES**Guidelines for Multi-level Exhibits (regardless of the size) and Covered Exhibits With Larger Than Three Hundred (300) Covered Square Feet**

3. Exhibits with an enclosed room or occupied second story must post notice at the bottom of the stairway, indicating maximum permitted occupancy (or total permitted weight load of the second level).
4. If second level is to be occupied and greater than three hundred (300) square feet, or is designed to hold 10 or more persons, two (2) stairways are required, remote from each other. If second level is to be occupied and less than three hundred (300) square feet, one (1) set of stairs is permitted.
 - a. Stair construction shall meet Massachusetts State building code for riser height of 7" maximum and a tread depth of 11" minimum.
 - b. These stairs shall have a handrail that shall be continuous, without interruption by newel posts, other structure elements or obstructions.
 - c. Handrails shall not be less than 34" or more than 38". The handrail ends shall be returned to a wall or post. All stairway handrails shall have a circular cross-section with an outside diameter of at least 1-1/4" and not greater than 2".
 - d. Stair width shall be a minimum of 36". Many multi-level displays are designed without risers, which is not permitted by the Massachusetts State building code as the stairway is part of a means of egress.
5. Individual areas of upper decks or covered areas must be limited to dimensions that do not exceed one thousand (1,000) square feet.
6. Exhibitor must install a single station and battery-operated smoke detector on the interior of each covered exhibit or structure, regardless of the square footage. The detector must sound an audible alarm and be installed per the manufacturer's instructions.
7. Exhibitor must provide a portable, dry chemical fire extinguisher for each level or each covered exhibit or structure. At least one (1) 10 lb. ABC portable type fire extinguisher must be provided for each three hundred (300) square feet. Fire extinguishers must be mounted in a visible location and accessible at all times. All extinguishers shall be currently inspected and tagged by a licensed fire extinguisher company.

AUTOMATIC FIRE EXTINGUISHING SYSTEM

1. The following shall be protected by an automatic extinguishing system:
 - a. Any home or house constructed within the exhibit hall; and it must also include smoke/fire alarms and a 10 lb. ABC fire extinguisher on each level
 - b. The lowest level of a multi-level exhibit, regardless of size, and/or a single-story covered exhibit where the covered area exceeds 300 sq. ft. (27.9 sq. m), and/or any covering over a multi-level exhibit exceeding 300 sq. ft. (27.9 sq. m)
 - c. Exception: Exhibitors installing these approved flame retardant materials as coverings may avoid the need to install a fire extinguishing system:
 - A flame retardant material with fusible seams that under low temperatures (176° F / 80° C) will split and open the canopy to allow smoke to rise, activate sprinklers and allow water through the opening
 - A flame retardant open mesh material with a minimum 70% opening
 - Ceilings that are constructed of open grate design or listed dropout ceilings in accordance with NFPA 13, Standard for the Installation of Sprinkler Systems, shall not be considered ceilings within the context of this section
 - Vehicles, boats and similar exhibited products having over 100 sq. ft. (9.3 sq. m) of roofed area shall be provided with smoke detectors (Single station and battery operated or portable smoke detectors meeting the requirements for Household Fire Warning Devices in NFPA 74 are acceptable.)
2. A temporary sprinkler system must be connected to the Convention Center's domestic water system. The MCCA maintains a list of approved, state-licensed fire sprinkler companies authorized to install temporary fire sprinkler systems. The vendor must submit a sprinkler coverage plan to the MCCA Engineering & Maintenance Department for approval.
3. To order a plumbing connection for the sprinkler system before you arrive, click on the "Exhibitor Online Ordering" link from the main MCCA Webpage (www.massconvention.com).

4. Exhibitor must install at least one (1) single station and battery operated smoke detector on the interior of each covered exhibit or structure regardless of the square footage. The detector must have an audible alarm and be installed per the manufacturer's instructions.
5. Exhibitor must provide a portable, dry chemical fire extinguisher for each level or each covered exhibit or structure. At least one (1) 10 lb. ABC portable type fire extinguisher must be provided for each three hundred (300) square feet. Fire extinguishers must be mounted in a visible location, and be accessible at all times. All extinguishers shall be currently inspected and tagged by a licensed fire extinguisher company.

The Massachusetts Department of Public Safety does not permit the use of a fire watch ordered in lieu of a temporary fire sprinkler system as an alternative method for fire safety compliance.

CREDENTIALING/POSITIVE ID REQUIRED

All employees and contractors are required to wear MCCA or Exhibitor Services Contractor Association (ESCA) issued identification badge on their outermost garment at all times while working at an MCCA facility. Upon request and as a requirement to be issued a MCCA ID, all employees and contractors working within an MCCA facility must carry on their persons a current and valid government issued photo identification (i.e. driver's license) at all times.

ESCA identification badges are required for all General Service Contractors (GSC). Temporary MCCA credentials will not be issued to GSC employees and they will be turned away.

Exhibitor staff arriving at the facility must identify themselves with a photo ID (preferably a valid state issued motor vehicle operator's license) by the Loading Dock Officer. Once positively identified by MCCA Public Safety, the Exhibitor will be referred to the Licensee in order to register and receive event credentials.

Lost/missing credentials shall be reported to, and recorded by, MCCA Public Safety. The MCCA, in its sole discretion, reserves the right to revoke credentials for violations of law, facility policies and procedures, and/or injuries against persons or property, and/or when the revocation of those credentials.

PROTECT YOUR EXHIBIT AND MATERIALS

The MCCA is not liable for, nor does the MCCA carry any insurance on, exhibitor property or fixtures. Please bear in mind that all of your exhibit material and displays are your property. Therefore, it is important that you take every precaution to protect this material. Below are some suggestions toward this end:

1. Ship your materials with a qualified carrier and be sure to lock trunks/crates.
2. If cartons are used, be sure that they are securely taped or banded and under no circumstances marked with the name or type of articles contained therein.
3. Be sure to furnish your shipping company with an accurate account and complete bill of lading.
4. Do not leave your booth unattended during the set-up period.
5. Do not leave exhibit material under tables or displays.
6. Do not include exhibit material in containers to be stored with empties.
7. At the close of the exhibit, be sure to pack as quickly as possible and under no circumstances leave your space unattended during this period.
8. If at all possible, have one of your staff remain in your space with your shipment, until it is actually picked up by the drayage contractor's personnel.
9. Promptly report any missing items or suspicious person(s) to Public Safety.
8. If at all possible, have one of your staff remain in your space with your shipment, until it is actually picked up by the drayage contractor's personnel.
9. Promptly report any missing items or suspicious person(s) to Public Safety.

SMOKING

The Hynes is a non-smoking facility. Smoking of any tobacco product or electronic cigarette ("e-cigarettes") is NOT allowed in the building at any time. Designated smoking areas are located outside the building.

SOLICITATIONS

No solicitations or collections are permitted in the Hynes.

VEHICLES AND OTHER MOTORIZED EQUIPMENT

Vehicles that are to be brought into the Hynes must be pre-approved. In some cases, vehicles will not be allowed in the building, and there are restricted areas that vehicles cannot enter. Keys to start the vehicle, as well as any deactivation codes for security features, must be left with the Public Safety Department.

Motorized vehicles are defined as any vehicle that is propelled by an internal combustion engine, such as, but not limited to: automobiles, trucks, buses, farm equipment, construction equipment, motorcycles, snow mobiles, aircraft, watercraft and lawnmowers.

Motorized vehicles shall:

1. Be equipped with a locking (or taped) gas cap to prevent the escape of vapors. Fuel tanks shall not have more than three (3) gallons of fuel, or 1/8 tank, whichever is less.
 - a. Exceptions:
 - i. Recreational vehicles (RVs) may have up to 1/4 tank of fuel
 - ii. Aircraft that is on standby status and is required to have a minimal fuel level as determined by the Federal Aviation Administration (FAA) such as MedFlight®
2. Have at least one (1) battery cable used to start the engine, disconnected and the end of the disconnected battery cable, taped. It is preferred that the positive or “hot” cable be disconnected.
3. Not be moved during exhibit hours. Vehicles may not be started or operated within the exhibit hall for the first 15 minutes after the exhibit hall closes to the public for the day or final closing of the event. No vehicle may be operated on the exhibit hall without a lead person walking in front of the vehicle warning people of vehicle movement.
4. Fueling or defueling of vehicles is prohibited.

MCCA Services

The MCCA and its contracted entities are the exclusive providers of the following services: food & beverage, electrical, business center, telephone, Internet, rigging, the operation of ground-supported truss trucks, plumbing, and the supply of compressed air and gases. Most of these services are available directly to exhibitors and can be provided through the Exhibitor Services Center. They are subject to prices and conditions detailed in our Exhibitor Ordering Guide. Our services cannot be resold or bundled as a package without prior written approval from the General Manager. Discounts may apply to some services by meeting the advance payment deadlines and conditions notes on the forms.

The MCCA is the preferred provider of security booth coverage for exhibitors. If your event designates another security vendor for booth coverage, you may choose to order through the event’s preferred provider as detailed in your Exhibitor Kit.

ATMS

Guests will find an ATM on the lower level inside the Boylston Street entrance and inside the Prudential Center entrance.

AUDIO/VISUAL SERVICES

The Hynes offers in-house A/V services on a preferred basis, with a preferred audio/visual provider to help provide comprehensive event support and services. All types of audio and visual display devices, screens and computer interfaces are available, along with skilled operators. The Hynes features a digital audio system and extensive use of fiber optic cabling to distribute signals throughout the facility. The Hynes has a clear line of sight to all satellites and dedicated truck parking spaces, complete with power and signal distribution. The preferred audio/visual provider is the exclusive provider for the use of the in-house sound systems. All other A/V companies must bring in a stand-alone speaker system.

BOOTH PACKAGES

Services cannot be resold or bundled as a package without prior written approval.

BUSINESS CENTER

The MCCA in-house vendor is the exclusive service provider of the Business Center. From simple documents to complex projects and on-going programs, the MCCA business center will provide document management solutions to meet your needs. The document solutions capabilities include: copying and digital printing, document production, supplies, computer services, electronic file submission, signage, custom printing services, document distribution, pack and ship options, express and ground service, fax service with delivery of incoming messages, and desktop/word processing.

SATELLITE SERVICES

The Hynes has a clear line of sight to all satellites and convenient parking spots for uplink and downlink trucks. Power and signal distribution is available at all truck locations. Please contact Exhibitor Services for more details and pricing.

Transportation

PUBLIC TRANSPORTATION

We strongly encourage you to promote public transportation as an efficient option for your attendees and exhibitors. Public transportation in the Boston area is provided by the Massachusetts Bay Transportation Authority (MBTA or “The T”). A number of excellent public transportation options are available for service to and from the Hynes.

TAXI INFORMATION

MCCA staff will coordinate with the individual taxicab companies and the Boston Hackney Division for the needs of each event. Assigned staff will manage taxi service logistics. There is a taxi stand outside the Boylston Street entrance for taxicab drop-off and pick-up.

Taxis will arrive at the designated taxi stand and wait in a short queue for customers as long as necessary for a passenger to board. The only limitation is that the taxis at the end of the queue do not block open lane traffic. Taxis unable to enter the designated curb lane will be required to proceed to the designated taxi pool area and will be called as service requires. For a complete list of taxi companies and their contact information, please visit the Hynes transportation website.

PRIVATE CHARTER SERVICE

Any exhibitor wishing to pick up or drop off a private charter shuttle on-site must request a staging area from the MCCA Transportation Department. All requests must be made in advance by emailing MCCATransportationServices@signatureboston.com. Requests must include the name of the event, the date & time of the trip, name of the bus company, and number of vehicles being used.

Exhibitors may contract directly with the MCCA to provide charter services. Please email MCCATransportationServices@signatureboston.com to request a quote for services.

PARKING

There are several local parking garages/lots in the vicinity of the Hynes. The facility does not have on-site parking available.

PARKING ON LOADING DOCK

Exhibitor staff members parking on the loading dock and displaying their loading dock parking pass on the dashboard of the motor vehicle for the purpose of unloading cargo have a limit of 20 minutes in order to do so. Exhibitor staff remaining in the loading dock area beyond the 20-minute limit, and/or who do not properly display a valid loading dock parking pass, subject themselves to towing at the vehicle owner/operator's risk and expense.

Levy Restaurants Hynes Authorization Request

Sample Food and/or Beverage Distribution

Please complete this form to receive authorization to distribute food or beverages not purchased through Levy Restaurants. Levy Restaurants has exclusive food and beverage distribution rights within the Hynes Convention Center and has the responsibility to the City of Boston to strictly regulate any food and beverage activity within the Hynes. Due to strict regulations, any vendor sampling product within the above mentioned parameters must submit a sampling form to Levy Restaurants for approval.

The Selling of Food and/or Beverage products by any other entity is strictly prohibited.

Sponsoring Organizations of expositions and trade shows, and/or their exhibitors, may distribute SAMPLE SIZE food and/or beverage products ONLY upon written authorization and adherence to ALL of the conditions outlined below.

GENERAL CONDITIONS - FOOD INDUSTRY RELATED SHOWS

1. Items dispensed are limited to products Manufactured, Processed or Distributed by exhibiting companies.
2. All items are limited to SAMPLE SIZE and must be dispensed/distributed in accordance to Local and State Health Codes:
 - a. Non-Alcoholic Beverages limited to maximum of 4 oz. Sample Size, served in biodegradable (or plastic) cups. No cans or bottles will be permitted.
 - b. Alcoholic beverage sampling is permitted only if you are the manufacturer or distributor of the beverage. Alcoholic beverages must be "sample" sizes (2 oz. for beer/wine, .25 oz for liquor) and can only be served by a licensed Levy Restaurants bartender.
 - c. Food items are limited to "bite size", not to exceed 2 oz. portions or a 2 oz. prepackaged samples.
 - d. All food/beverage items brought in are required by the Boston Health Department to have a temporary Health Permit. This includes prepackaged food samples, samples not intended for consumption on the show floor, and bottled water.
3. Vendors are responsible for all booth rental fees, electrical, plumbing, drayage and all other Levy Restaurants and/or Hynes services.

IF YOU DO NOT MEET THE CONDITIONS LISTED ABOVE, THE FOLLOWING POLICIES APPLY:

TAKE-AWAY ITEMS AND BUY-OUT FEES. Any Food and Beverage brought on premises without the written authorization from Levy Restaurants, the Hynes and [NAME Show] Management is strictly prohibited.

1. Take-away items will be assessed and approved on a case by case basis by Levy Restaurants. Take-away items are items that are distributed to attendees but are not intended for immediate consumption at the time of receipt.
2. Requests for all Food or Beverage Products brought on the premises for consumption at hosted banquet/ booth events or that do not fall within the Sampling parameters listed above may incur a Buy-out Fee by Levy Restaurants. An appropriate buy-out fee will be determined by Levy Restaurants on a case by case basis; however, the buy-out fee will be based on a percentage of the retail pricing for the food and/or beverage item and is subject to all applicable taxes and service charges.

UNUSED FOOD OR BEVERAGE PRODUCT that requires pick-up or shipment after the show/event is the responsibility of the Company that is sampling the product. Absolutely NO REFUNDS of Buy-out Fees will be given for Food or Beverage Product if not consumed during show/event.

FOOD AND BEVERAGE RELATED SERVICES including storage, delivery, or any other service required for Food and/or Beverage products brought from the outside are not the responsibility of and will NOT be provided by Levy Restaurants.

If these services are required the following charges will assessed:

1. \$150.00 for a small visi cooler, per day
2. \$300.00 for a large double visi cooler, per day
3. \$25.00 per drop off and per pick-up for steward
4. \$150.00 per day minimum for dry or refrigerated storage, per pallet
5. \$6.00 per 5 pound bag of ice

Both the refrigerator and cooler require stewarding labor to drop off and retrieve the equipment. A security deposit of \$250 per piece of equipment will also apply.

SHIPPING/RECEIVING Please note that only product you expect to be prepared by, stored by and delivered by Levy Restaurants should be shipped to Levy Restaurants. Please see the Shipping Label, fill it out and ensure it is used properly to ensure proper receiving of your product. You must contact Levy Restaurants prior to shipping items – items not expected will not be received. For all Food and Beverage not purchased through Levy Restaurants, all standard fees mentioned above will be charged where applicable, including 20% Administrative Fee and Applicable Sales Tax.

The Company named below acknowledges they have sole responsibility for the use, servicing or other disposition of such items in compliance with all applicable laws. Accordingly, the firm agrees to indemnify and forever hold harmless Levy Restaurants and the Hynes from all liabilities, damages, losses, costs or expenses resulting directly or indirectly from their use, serving or other disposition of such items.

Exhibiting firm must provide Levy Restaurants with a Certificate of Insurance showing evidence of Commercial General Liability with an each occurrence limit of \$1,000,000 and naming Levy Premium Foodservice Limited Partnership and Massachusetts Convention Center Authority as additional insured. Information must be received no later than close of business (5:00 PM EST) on _____
