NECANN

WELCOME TO THE 4TH ANNUAL VERMONT CANNABIS & HEMP CONVENTION

Thank you for joining us at the 4th Annual Vermont Cannabis & Hemp Convention, the annual gathering of the state's cannabis & hemp industries. Our mission here, as with all our events, remains the same: bring the cannabis community together so it can grow and prosper through education, collaboration and communication. NECANN is excited to continue to help grow the cannabis and hemp industries in Vermont.

Since 2014, NECANN has provided locally-focused cannabis conventions. Through the tireless efforts of so many members of the cann-activist community, we've seen tremendous progress towards normalization of cannabis use which now includes full adult-use legalization in Vermont. As you walk through the convention you'll see and hear proof of progress everywhere from exhibitors, speakers, and from others in the Vermont cannabis & hemp industries attending the convention.

As always, we are grateful for the support of the exhibitors, sponsors, speakers, and attendees who make these great events possible. Your support is what drives our conventions and the industry as a whole—thank you for letting us be a part of something special!

NECANN Founder,

Marc Shepard

FREQUENTLY ASKED QUESTIONS

www.necann.com/vermont

Can I buy tickets at the venue?

YES, CASH ONLY, \$30 weekend pass, \$20 on Saturday, \$15 on Sunday.
Box office opens at 9:00am both days.

Do I need a medical marijuana card to attend? NO.**Are pets allowed?**

NO. Only registered service animals are allowed

Is there an age requirement?

YES. 21+

Do I have to buy a ticket for my child?

NO. Children under 18 accompanied by a parent do not need a ticket.

Is my ticket transferable?

YES, to edit the name on your ticket, use the ticket link sent to you with the confirmation email. Email kris@necann.com with questions

What is the refund policy?

All tickets are non-refundable.

Can I bring a bag/backpack?

YES. Champlain Valley Expo security reserves the right to search all bags/backpacks and may refuse any bag to be allowed in. NECANN will store rejected bags at the registration desk. Food, beverages, and weapons are not allowed in the venue, please see Champlain Valley Expo's website for full details: <https://cvexpo.org/>

Is this event handicap accessible? YES.**Can I leave and re-enter?**

YES. Attendees may leave and re-enter as often as they wish, but **MUST** have their show credential for re-admittance. You will not be allowed back in without a show credential.

Will food and beverages be available for purchase?

YES. There will be food trucks onsite

Does my convention ticket include admission to the speaker program? YES.**Will Cannabis be available at the show?**

NO. Absolutely no cannabis of any kind can be sold or distributed at Champlain Valley Expo.

Is Cannabis use allowed onsite?

NO. All Vermont laws regarding cannabis use in public are in effect; no displaying, smoking/vaping/consuming cannabis anywhere on Champlain Valley Expo property.

Can I take pictures/video?

NO. Videotaping of speakers/programming is not allowed in ANY speaker session. Pictures & videotaping are allowed on the exhibit floor, but you should get permission before photographing/filming people directly. NECANN & Champlain Valley Expo reserve the right to restrict/deny photography/video recording in any area, at any time, at their sole discretion.

SOCIAL MEDIA #NECANN23 is the official hashtag for the event.

CANNABIS & HEMP TESTING

Bia Diagnostics is a leading ISO 17025 accredited food, beverage and nutraceutical testing laboratory located in Colchester, Vermont. As the first analytical lab in the state to be licensed for adult use cannabis testing, we offer quantitative analysis on a wide variety of matrices, including cannabis flower, oils, and infused products.

Bia Diagnostics has the scientific expertise and regulatory experience necessary to assist all cannabis industry stakeholders in providing safe and compliant products with the most accurate results possible.

- Cannabinoids
- Terpenes
- Residual Solvents
- Pesticides
- Mycotoxins
- Heavy Metals
- Pathogens

Perfection. Again and Again and Again.

**The only dry, cure and storage system
that gives you total control over the
post-harvest environment.**

Our patented Vaportrol technology eliminates the effects of seasonal humidity and temperature swings, so you'll produce perfect flower month after month, harvest after harvest, year after year.

Only Cannatrol gives you:

-  **Better terpene and cannabinoids retention**
-  **Higher yields**
-  **Fast ROI and reduced labor**
-  **Solutions for turnkey, retrofits and new construction**
