CANNABIS & HEMP TESTING

Bia Diagnostics offers comprehensive Cannabis analysis on a variety of matrices, including plant materials, oils, and infused products. With expertise in diverse matrices and state-of-the-art equipment, we accurately analyze samples for cannabinoids, terpenes, residual solvents, heavy metals, pesticides, mycotoxins, pathogens, gender, and HLVD. As regulations evolve in this dynamic industry, trust us to ensure your products meet the latest standards for safe consumption.

Bia Diagnostics is a global leading ISO 17025 accredited food, beverage, and botanical testing laboratory located in beautiful Colchester, Vermont. With over 40 years of diagnostics experience, we specialize in **Food Allergen, GMO, Food Authenticity, Fermented Beverage, and Cannabis/ Hemp testing.** Focusing on these five critical sectors, our expert scientists are dedicated to working with you to ensure the most accurate and timely results.

WELCOME TO THE 5TH ANNUAL VERMONT CANNABIS & HEMP CONVENTION

Thank you for joining us at the 5th Annual Vermont Cannabis Convention, the largest gathering of the cannabis industry in the state. Our mission here, as it is at every one of our events, remains the same: bring the local cannabis community together so it can grow and prosper through education, collaboration and communication. NECANN is excited to continue to help grow the cannabis industry in Vermont.

Since 2015, NECANN has provided locally-focused and organized cannabis conventions. Through the tireless efforts of so many members of the cann-activist community, we've seen tremendous progress towards normalization of cannabis use which now includes full adult-use legalization in Vermont. As you walk through the convention you'll see and hear proof of progress everywhere, whether it's visiting the exhibitors or listening to one of the many speakers educating us all weekend long.

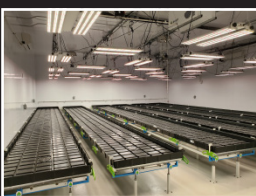

As always, we are grateful for the support of the exhibitors, sponsors, speakers, and attendees who make these great events possible. Your support is what drives our conventions and the industry as a whole—thank you for letting us be a part of something special!

NECANN Founder,

Marc Shepard

Dutchie

A woman with reddish-brown hair tied back, wearing a yellow and green plaid shirt over a dark t-shirt, stands in a greenhouse. She is looking directly at the camera with a slight smile. The greenhouse has a high, arched metal frame with translucent panels. In the background, there are rows of plants in long beds.

IT'S OUR BUSINESS TO KNOW YOUR BUSINESS

Today, tomorrow, together.

The logo consists of three green chevrons pointing upwards, stacked vertically.

FREQUENTLY ASKED QUESTIONS

105 Pearl St, Essex Junction | www.necann.com/vermont**Can I buy tickets at the venue?**

YES, CASH ONLY, \$25 ticket good for both days. Box office opens at 9:30am both days.

Where is the best place to park?

The Champlain Valley Expo has lots of surface parking surrounding the venue.

Do I need a medical marijuana card to attend? NO.

Are pets allowed? NO. Only registered service animals are allowed.

Is there an age requirement? YES.

21+ unless accompanied by parent/guardian.

Do I have to buy a ticket for my child?

NO. Children under 18 accompanied by a parent do not need a ticket.

Is my ticket transferable? YES, to edit the name on your ticket, email kris@necann.com.

What is the refund policy?

All tickets are non-refundable.

Can I bring a bag/backpack? YES.

Champlain Valley Expo security reserves the right to search all bags/backpacks and may refuse any bag to be allowed in. NECANN will store rejected bags at the registration desk. Food, beverages, and weapons are not allowed in the venue, please see Champlain Valley Expo website for full details: <https://cvexpo.org/>

Is this event handicap accessible? YES.

Can I leave and re-enter? YES, attendees may leave and re-enter as often as they wish, but **MUST** have their event wristband for re-admittance. You will not be allowed back in without an event wristband.

Will food and beverages be available for purchase? YES. The Champlain Valley Expo has many food trucks open during show hours (10am-3pm both days).

Does my convention ticket include admission to the speaker program? YES.

Will Cannabis be available at the show? NO. Absolutely no cannabis of any kind can be sold or distributed at Champlain Valley Expo.

Is Cannabis use allowed onsite?

NO. All Vermont laws regarding cannabis use in public are in effect; no displaying, smoking/vaping/consuming cannabis anywhere on Champlain Valley Expo property.

Can I take pictures/video?

NO. Videotaping of speakers/programming is not allowed in ANY speaker session. Pictures & videotaping are allowed on the exhibit floor, but you should get permission before photographing/filming people directly. NECANN & Champlain Valley Expo reserve the right to restrict/deny photography/video recording in any area, at any time, at their sole discretion.

The Vermont Cannabis Care Network

Accessibility. Affordability.
Patient Comfort.

Supporting all patients with a cancer diagnosis, in meeting their medical needs through an abiding commitment to access, affordability, and patient comfort, with free cannabis.

Who We Are

We're just two small-time Vermonters who want to make a difference for other people's loved ones like we wish we could have done for ours.

What We Do

Cancer patients potentially face financial hardships associated with the cost of cannabis and travel for treatment and typically can't afford cannabis regularly. Cancer patients face a diagnosis that is sometimes a matter of life and death. This program aims to reduce that financial barrier for them. We want to help focus on people who are facing these barriers so they can focus on their healing.

Since cannabis is not covered under any health insurance plans yet, this financial burden falls directly on the patient and their family.

We are committed to getting the products needed to patients, regardless of location. We have a team of several beautiful people who help us with transporting all over the state.

Support & Community

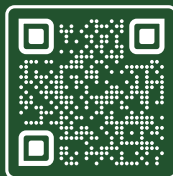

We wouldn't be able to fund the VCCN without sales from Highly Rooted, and our lovely community who volunteers, donates, and supports the VCCN. You can find our products at your local retailers! Check us out at www.highly-rooted.com!

Running a dispensary isn't easy. But it can be.

Running a dispensary requires a Point of Sale that connects to your inventory in order to track seed to sale. It also requires evolving payments solutions, an ecommerce platform with powerful SEO, business insights, and much more. It can be difficult to bridge together all of these solutions without piling on costs.

So how do you get everything you need to run your business?

**With Dutchie, it's easy.
Everything you need, all in one place.**

Point of Sale

Ecomm

Payments

We're excited to help you choose the right tools for your cannabis business.

*Cannabis has not been analyzed or approved by the Food and Drug Administration (FDA). For use by individuals 21 years of age and older or registered qualifying patient only. **KEEP THIS PRODUCT AWAY FROM CHILDREN AND PETS. DO NOT USE IF PREGNANT OR BREASTFEEDING.** Possession or use of cannabis may carry significant legal penalties in some jurisdictions and under federal law. It may not be transported outside of the state of Vermont. **The effects of edible cannabis may be delayed by two hours or more.** Cannabis may be habit forming and can impair concentration, coordination, and judgment. Persons 25 years and younger may be more likely to experience harm to the developing brain.*

It is against the law to drive or operate machinery when under the influence of this product. National Poison Control Center 1-800-222-1222.
