WELCOME TO THE 2ND ANNUAL MARYLAND CANNABIS CONVENTION

Thank you for joining us at the 2nd annual Maryland Cannabis Convention, the largest gathering of the cannabis industry in the state. Our mission here, as it is at every one of our events, remains the same: bring the cannabis community together so it can grow and prosper through education, collaboration and communication. NECANN is excited to help grow the cannabis industry in Maryland.

Since 2015, NECANN has provided locally-focused and organized cannabis conventions. Through the tireless efforts of so many members of the cann-activist community, we've seen tremendous progress towards normalization of cannabis & hemp use which now includes full adult-use legalization in Maryland. As you walk through the convention you'll see and hear proof of progress everywhere, whether it's visiting the exhibitors or listening to one of the many speakers educating us all weekend long.

As always, we are grateful for the support of the exhibitors, sponsors, speakers, and attendees who make these great events possible. Your support is what drives our conventions and the industry as a whole—thank you for letting us be a part of something special!

NECANN Founder,

Marc Shepard
